Required Information

See attached resume. For the first ten years of my professional career, I maintained an active law practice dedicated primarily to serving business clients. Over the past decade, I have worked alongside my wife, Melissa, to grow our company, BringFido, a very popular website and mobile app dedicated to helping people plan travel with their pets.

## COMMUNITY INVOLVEMENT

### Required Information

---

I have been involved in civic and charitable endeavors in every community I've called home. As a young attorney on the east coast of Florida, I took on a leadership role with the local Rotary Club and served a term as president of my county bar association. I also served as an officer and board member of the Florida 4-H Foundation. After relocating to South Carolina, I quickly became involved in an organization called Camp Opportunity that provided summer recreation opportunities for abused and neglected youth.

## WHY ARE YOU INTERESTED IN THIS APPOINTMENT?

### Required Information

---

After a year of getting settled in Sanibel (and then 10 months recovering from Ian), I am now ready to get more involved in the community. I was excited to learn about the new Parks and Recreation Advisory Committee because I believe I can immediately add value. First, I am a year-round resident with a family that regularly uses the rec center and finds it to be a vital service to our community. Second, as a seasoned business owner/operator, I will always approach decision-making through a lens of fiscal responsibility and cost/benefit analysis. Finally, as someone with deep knowledge of the travel and hospitality industry, including extensive experience in the world of pet-friendly travel, I have a unique perspective that will serve Sanibel well, particularly as it relates to balancing the needs of our local residents with the tourism that supports our community.
