WHY ARE YOU INTERESTED IN THIS APPOINTMENT?

Required Information

As an active member of the community I am very interested in participating in the newly created Parks and Recreation Advisory Committee. I feel I could be the perfect fit for the role due to my inherent understanding of the local environment and recreational needs. As a longtime resident of Sanibel, I have a firsthand experience of the parks, beach access areas, and recreational facilities. I have familiarity with the shared use path and open spaces which would allow me to make well-informed recommendations to the city council and city manager on usage, maintenance, and development aspects. Furthermore, my close ties to the community enable me to gather valuable input and insights to assess short- and long-term recreational needs, making my contributions to the committee more effective and responsive. My engagement in the committee's functions and duties would ensure that the recommendations align with not only the Sanibel Plan, but the community's desires, ultimately enhancing the overall recreational experience on the island.
