COMMUNITY INVOLVEMENT

Required Information

Resident of Sanibel since 1998. Served on the City of Sanibel Wildlife Committee (since dissolved) and the City of Sanibel Charter Review Committee; current board member and past president of Committee of the Islands; SCCF volunteer docent on Captiva cruises for 10 years; principal author of several amendments to the Sanibel City Charter that deal with land use issues; Regular attendee and contributor at Sanibel Planning Commission and City Council meetings for the past 20 years.

WHY ARE YOU INTERESTED IN THIS APPOINTMENT?

Required Information

These are challenging times for Sanibel. The City must adapt to a changing environment if it is to remain a viable barrier island community while remaining true to the values that have made it such a unique place to visit and call home. I would like to make a "hands on" contribution to help the City meet those challenges and believe I could best do that as a member of the Planning Commission.
