COMMUNITY INVOLVEMENT

Required Information

After moving full time to Sanibel in August of 2021 and spending time getting acquainted with the island, now as a resident, I volunteered to join the Sanibel Historic Village. I briefly worked 2-3 times a week as a docent but then began to give guided tours to visitors 1-2 times a week up until the end of the season in July 2022. I eagerly volunteered to help in many upcoming committees for the museum and now anxiously wait until I can lend my services to help prepare for a re-opening of the village. It is my hope that we can work to clean and preserve these beautiful buildings!

WHY ARE YOU INTERESTED IN THIS APPOINTMENT?

Required Information

I have enjoyed my new resident time on the island by reading accounts of the island history and its past residents. I also enjoy learning about the area through the PBS specials. This part of Southwest Florida is such an interesting piece of Americana and I love sharing my findings with neighbors and friends. I would like to be an active participant in the Board position to maintain and rebuild the historic records, documents, photos etc that need to be shared with our future generations.
