WHY ARE YOU INTERESTED IN THIS APPOINTMENT?

Required Information

One of the main reasons we were drawn to Sanibel was due to the wonderful recreational activities that are available on the island. The biking paths, beach, conserved spaces, and recreation center all played a role in why we moved here to live. I am specifically interested in joining this advisory committee so that I have an opportunity to represent the community in providing feedback and guidance on the recreation center, shared use path, and beach access parking. I am active in utilizing many of the services that the advisory committee provides guidance to the city. Finally, I believe the recreation activities on Sanibel are a great asset to the community and want to be part of the group that continues to make these wonderful assets available for the community to use.
