The application is submitted by **Dana Dettmar, Department of Natural Resources on behalf of the City of Sanibel.**

# Project Location

# Recommended Conditions

---

1. A copy of the ACOE permit must be submitted to the city prior to commencement of the dredging project.
2. The project must be conducted in a manner that maintains compliance with all conditions of the FDEP Environmental Resources Permit and ACOE permit.
3. If any unanticipated impacts occur to the shoreline and/or vegetation, the impacts will be mitigated in accordance with FDEP grant agreement deliverable requirements: The Slough banks will be restored through contouring/grading and native vegetation installation as needed.
4. Dredge activities shall not cause disturbance to active waterbird nests.
