WHY ARE YOU INTERESTED IN THIS APPOINTMENT?

Required Information

I have been a resident of Sanibel for eight years, a homeowner for seven years, and a full-time employee and shareholder/owner of a Sanibel business for six years. My wife, who is also employed on the island, and I are raising three children on the island; all were products of The Sanibel School. We have lived on this island through Irma, Red Tide, COVID, Ian, Helene and Milton, and experienced the challenges that came with each. I am appreciative of this island's history and heritage, its commitment to being a barrier island sanctuary. I also believe we have achieved the goal of protecting so much of this island. I agree with many, including our first mayor Porter Goss, that it is time for a comprehensive review of the Sanibel Plan to make this island a better place for living for the City's next 50 years - better for our families, for our businesses, and for our visitors. I don't want mass development or high rises. What I seek is a quality of life for our diverse population that outpaces every other coastal town, in an island community that remains charming and magical, while also resilient and modern.
