Chapter 66 - TRAFFIC
ARTICLE III. - SPEED LIMITS
DIVISION 1. GENERALLY

DIVISION 1. GENERALLY

Sec. 66-121. ~~Thirty-five mile per hour speed limit~~ Speed Limits.

The maximum speed within the city shall be 35 miles per hour along the following routes:

Westerly along Periwinkle Way beginning at the intersection of Ferry Road and terminating at Tarpon Bay Road; generally north and westerly along Palm Ridge Road from the intersection at Periwinkle to the intersection at Tarpon Bay Road; and thence westerly along Sanibel-Captiva Road to the western most corporate limits of the city.

(Code 1981, § 17-5)

The maximum speed limit on roadways shall be 35 miles per hour.

The speed limits within the city shall be established by the City Council by resolution. Such resolutions may designate maximum lawful speeds on any streets, roads, bridges, or portions thereof, as determined appropriate for public safety and traffic regulation; provided, however, that no maximum speed shall exceed 35 miles per hour.

All speed limits established by resolution shall be adopted in accordance with applicable provisions of state law, including but not limited to chapter 316, Florida Statutes, and any required traffic engineering studies.

~~Sec. 66-122. Bridge at Buell Creek; speed limit.~~

The maximum rate of speed for any vehicle traversing the bridge at Buell Creek on Bay Drive (formerly known as Old Bayshore Road) shall be ten miles per hour and it is unlawful and prohibited for any person to exceed such speed limit.

(Code 1981, § 17-7)
