BACKGROUND: (EDUCATION & EXPERIENCE)

Required Information

I have a significant amount of education and experience related to this appointment in the areas of law, planning, engineering, and construction. For 15 years, I managed the Planning, Preservation, and Development Section of Delaware State Parks, which included direct oversight of the State of Delaware's Open Space, Natural Areas, First State Trails and Pathways, and Outdoor and Recreation Parks and Trails Programs.

COMMUNITY INVOLVEMENT

Required Information

In addition to providing staffing to several Governor-appointed councils in past Delaware jobs, I was on the Board of Directors for the Kent County Conservancy in Dover, Delaware, and the Friends of Auburn Heights in Yorklyn, Delaware. Since moving to Florida, I have started to volunteer with CHR on Sanibel as part of the development committee.

WHY ARE YOU INTERESTED IN THIS APPOINTMENT?

Required Information

My family and I love Sanibel and really want to contribute our time and abilities to help where we can. Given my broad education and experience, I think I help the City with the planning issues it faces in a changing environment. I just recently went through the building permit process so I think I bring a lot of real world knowledge about the system. I also want to note here, our house is under construction now. We will be full time residents of Sanibel before this position would commence but I wanted to be clear in that fact. Initially, we were scheduled to be done in September but have had delays beyond our control. Thanks for your consideration.
