Hello Andrea,

Please present a request for the Bank of The Islands to City Council to get approval for additional events at Bank of the Islands in 2025.

We are wanting to request more than just the two additional permits needed to accommodate the Sanibel School Car Wash events.

In 2024, the Bank of The Islands requested eight permits and we are hoping to receive the same number for 2025.

Evidently, we already have 5 (of 6) permits for 2025 and we are needing to accommodate the Sanibel School for their car washes to raise money for their important programs.

These are the dates for the car wash fundraisers to take place at the BOTI parking lot:

- 8/30
- 9/20
- 10/4
- 1/31
- 2/21
- 3/28

Thanks for all of your help with this matter.

Best regards,

David

Thank you David for the email below. Based on City Ordinance each Lee Co Strap number may only host 6 special events per calendar year unless otherwise approved by City Council. Currently for 2025, you have held five events at 1699 Periwinkle Way so to accommodate the upcoming car washes you would need two additional. However, I would recommend requesting more than just the two additional permits. In 2024, Bank of the Islands requested eight permits. Please advise and I will prepare the request for the agenda today.

HI Mr. G.,

Thank you for sending! A few follow up items:

1. Only the City Manager can approve late fee waivers, so I will send your request to him for the August and September car wash late fees.
2. Thank you for sending the approval letter from Bank of the Islands. **We will also need to go to City Council to get approval for additional events at Bank of the Islands in 2025 as they already have 5 (of 6) permits for 2025.** The next City Council meeting is August 19th and all of my agenda items are due by tomorrow so if David can please send a request letter to me asap then I can draft a memo and get it on the meeting agenda.

As always please do not hesitate to reach out with any additional questions.

Best,

Subject: Car Wash Fundraiser Permit Requests

Good Afternoon,

Please find attached our permit application for upcoming car wash fundraisers we would like to hold at the Bank of the Islands. Also, please find the map for each of our car washes.

Additionally, I would like to request that any late fees be waived for the application since we are a public school and the car washes support our students. Thank you for your consideration with this.

I will forward the approval from the Bank of the Islands soon.

Please let me know if you have any questions or are in need of any additional information.

Thank you!
