617 of roads and trails or the relocation of roads in existence on  
618 the effective date of this section, or the construction,  
619 maintenance, and use of new trails, or any motorized access  
620 necessary for the administration of the land contained within  
621 the preserve, including motorized access necessary for

694 4. Assess reasonable fees for admission to, use of, and  
695 occupancy of the preserve to offset costs of operating the  
696 preserve as a working ranch. These fees are independent of fees

2026290er

697 assessed by the commission for the privilege of hunting,
