PO # TBD

**Date**

4/17/2025

Client: City of Sanibel

President:

Project Manger: Holly Milbrandt

Bret Sapp

Phone: 239-472-3700 Email: holly.milbrandt@mysanibel.com

Address: 800 Dunlop Road  
Sanibel, FI 33957**Project Name: Wulfert Channel Maintenance Dredging**

Description of work: Wulfert Channel within Blind Pass inlet filled in from storm damage. Owner has pulled an emergency permit to restore it back to previous conditions. Permit # SAJ-2024-01807(NWP-SJF)

Dredging Services: Mechanically dredge approximately 9,250 cy of material. Unload barge at Henderson Road boat ramp. Load directly into water tight sealed dumptrucks and hauled to city's Wulfert Wastewater Treatment Plant(WWTP) for final dewatering.

Engineering/Permitting Services: USACE emergency permit pulled by owner. Work must be completed by September 1st.

Hauling Services: Bayside Dredging will haul the material to WWTP. Silt fence will be installed prior to any dumping. Once dewatered, Bayside Dredging will haul all the sediment off the island.

Additional comments/notes: If additional material is requested to be removed, costs are identified below.

**\*Note\* Contract to follow upon agreement on scope of work and permits if necessary**

Item	Description	Qty	Rate	Amount
