10. OLD BUSINESS

a. Presentation of the Draft Vulnerability Assessment

Natural Resources Director Holly Milbrandt introduced Jenna Phillips, Project Manager, Cummins Cederberg, who provided a brief PowerPoint presentation relating to the vulnerability assessment report.

Council inquired if there were coordination with any groups that are specifically focused on barrier islands, to which Ms. Phillips advised she was unaware of any specific group focus and that would be a good item to include in the assessment process. Discussion ensued regarding how to understand and use the data collected,

funding, next steps, Recreation Center vulnerability, best practices for barrier islands, and how to incorporate with the Sanibel Plan update and the adaptation plan. City Manager Souza spoke to the 2022 strategic planning which resulted in hiring the Chief Resilience Officer, noting how the studies will be incorporated.

Continued discussion ensued regarding Senate bills 250 and 180, the data being elevation and location based, and the document/data being fluid as buildings are being rebuilt. Director Milbrandt spoke to elevations and locations of the facilities being a specific period in time, the process for evaluating the facilities and infrastructure, and the storybook being a useful tool.

Public Comment:

- Bob Moore - spoke his appreciation for the in depth discussion and noted a National organization that focuses on island communities.

Discussion ensued regarding Vice Mayor Smith being on the National League of Cities (NLC) board and the NLC disaster recovery committee. Mr. Souza thanked the consultants and staff involved in the assessment project.

Councilmember DeBruce moved, seconded by Vice Mayor Smith, to accept and approve the draft City of Sanibel Vulnerability Assessment for submittal to FDEP. The motion carried.

The meeting recessed at 11:07 a.m. and reconvened at 11:16 a.m.

b. Sanibel Causeway Evaluation and Feasibility Study - 3 Travel Lanes

City Manager Souza introduced Bill Waddill, Senior Planner, and Ian Rairden, P.E., on behalf of Kimley-Horn to present the report and PowerPoint presentation.

Discussion ensued regarding additional bridge width, bike lanes or dedicated pedestrian/bike lane, and the process for granting an exception to width or barrier being through Lee County Department of Transportation (DOT). Continued discussion ensued regarding the desire to look at options for adding an additional lane and the need to approach the Lee County Metropolitan Planning Organization (MPO) for consideration of constructing a third lane.

Finally, discussion turned to the option of a cantilevered section of the bridge for bikes and pedestrians. City Manager Souza spoke to the scope of the assessment.

Public Comment:

- Mitch Koppelman - Sanibel Resident - spoke to the cantilevered option being a viable consideration.

Mr. Souza spoke to the unique characteristics of the bridges for barrier islands regarding the barriers used.

Councilmember Johnson moved, seconded by Vice Mayor Smith, to accept the report. The motion carried.

c. Stormwater Assessment Consulting Services

Councilmember Henshaw moved, seconded by Councilmember Johnson, to adopt Resolution 25-070. The motion carried.

d. Discussion of a request from Sundial Resort to allow the sale of Beach Club Day Passes based on parking rather than limiting the sale based on the number of dwelling units unavailable to rent due to disaster-related damage

Director McMichael provided a brief background for the request. Councilmember DeBruce spoke to a conflict of interest due to being a business owner that partners with Sundial and may benefit financially. Form 8B Conflict of Interest was filed with the City Clerk and will be added to the record and Ms. DeBruce would not participate in the discussion or vote.

Discussion ensued regarding alternatives for calculating the number of passes and possibility of extending the allowance to July 2026. There were no public comments from the audience.

Continued discussion ensued regarding the legislation regarding the base calculation and increasing to 3.5 instead of 2.5 and requesting the facility management self regulate the number of passes being issued. City Manager Souza spoke to having observed that as the current practice. Ms. McMichael advised the Sundial provides a monthly report of passes issued.

Vice Mayor Smith moved, seconded by Councilmember Johnson, to allow Sundial Resort the sale of Beach Club Day Passes based on 3.5 parking spaces per unavailable units (25), and extending to July 31, 2026. The motion carried by a vote of 4-0 with Councilmember DeBruce recused.

Recused: 1 - Councilmember Laura DeBruce

e. Discussion to potentially rescind the motion adopted on November 4, 2025, to install a 3-way stop sign at the intersection of Sanibel Captiva Road and Rabbit Road ([Supplement 2](#), [Supplement 3](#))

Mayor Miller passed the gave to Vice Mayor Smith at 12:31 p.m. Mayor Miller spoke to the background for the discussion and proposal to rescind the previous motion.
