

City of Sanibel
Engineering Firm Presentation Agenda
Tuesday, November 18, 2025
10:00am -12:30PM
Sanibel Public Works, 750 Dunlop Road

Purpose:

To hear formal presentations from shortlisted Engineering firms — Stantec, TYLin and Weston & Sampson — regarding their qualifications and approach to the Box Culvert project.

Each firm will present for 20–25 minutes, followed by a 5-minute Q&A. Presentations should address:

- Relevant experience, particularly with Box Culverts
- Design and construction approach
- Team capacity and project timeline

A discussion and final scoring session will follow the presentations, concluding with the selection of the top firm.
