RULES OF CIVILITY FOR PUBLIC PARTICIPATION

In recognition that public discourse is essential to the democratic system of government on April 16, 2002, Sanibel City Council adopted a Proclamation embracing civility in public deliberations. These rules were updated February 22, 2007.

Therefore, Sanibel City Council sanctioned these rules for public participation while conducting meetings and workshops:

1. Speakers are permitted to deliver his or her comments without interruption.
2. Speakers and debates should focus on issues, not on persons or personalities.
3. Persons are encouraged to participate in the governmental process.
4. To allow time to hear all points of view, speakers are allotted 3 minutes each time they are recognized.
5. Sidebar discussions while others are speaking are not permitted in Council Chambers. These discussions are to be removed from the chamber so as not to be disruptive to those conducting and following Council business.
6. Only the speaker recognized by the Chairperson has the floor. Speakers should raise their hand to be recognized. Speakers should identify themselves for the record. Speakers should utilize the microphone so that their comments can be recorded.
7. Anyone wishing to speak on an issue is given an opportunity to speak before speakers are recognized for an opportunity to speak a second time on an issue.
8. We seek to understand one another's points of view.
9. Anger, rudeness, ridicule, impatience and lack of respect for others are not acceptable behavior. Demonstrations in support or opposition to a speaker or idea such as clapping, cheering, booing or hissing or intimidating body language are not permitted in Council Chambers or workshop facilities.
10. We should all take initiative to make things better. Our goal is to foster an environment, which encourages a fair discussion and exchange of ideas without fear of personal attacks.

As approved 022007
Sanibel City Council

In accordance with the Americans With Disabilities Act, persons needing a special accommodation to participate in this proceeding, to include hearing impairment, should contact Scotty Lynn Kelly, City Clerk, no later than one day prior to the proceedings at (239) 472-3700. For additional assistance if hearing impaired, telephone the Florida Relay Service at 711.

Citizens may request to receive Sanibel City Council and Planning Commission meeting agenda directly via e-mail. Citizens wishing to receive a copy of the agenda via e-mail may do so by visiting the City's website at www.mysanibel.com. Additionally, citizens may register to receive City announcements such as press releases.

a. Updates from May 5, 2026 City Council Meeting

i. Discussion on E-Bike Registration (Item 12. a.)

Director Miller provided an update on a draft e-bike registration program discussed in the May 5, 2026 City Council meeting. The initial draft proposed a \$10 annual fee exclusively for Class 2 and 3 e-bikes owned by residents and on-island workers. After council deliberation, there are plans to propose changes to a one-time registration at no cost. For Class 1 e-bikes, no changes, including the existing 16-year age limit.

A comment included in the agenda packet from Ashley Skinner, backed a lower age limit of 14, sharing her sons' dependence on e-bikes. She raised doubts about enforcing a registration system and indicated that unsafe riding stems mostly from uninformed tourists using rentals. The committee expressed appreciation for Skinner's input, with some open to reducing the age limit for Class 1 e-bikes. One member opposed class distinctions, noting that behavior is the issue, not bike type. Given enforcement doubts highlighted by the Police Chief, the committee discussed the policy's impact on tourists using Class 2 or 3 e-bikes. The possible routes are: keeping the current policy, awaiting state legislation, or implementing a registration program. Skinner's insights will be relayed to the Council.

b. Dog Park Survey

Director Miller presented a summary of the 2026 Dog Park Interest Survey, which was open for 60 days and received 1,185 responses.

Key findings included:

- 88.69% of respondents identified as Sanibel Residents, with approximately 55% identifying as full time residents
- Approximately 77% of those were dog owners
- 65% of respondents stated they would use an on-island dog park
- Primary citation for using an on-island park was convenience
- Respondents favored a Public/Private partnership model
- Approximately 48% indicated willingness to pay a membership or use fee
- Approximately 40% expressed strong opposition to removing any land from the environmentally sensitive lands or conservation district for this use

The committee engaged in a substantial discussion about how to interpret the data and what next steps to recommend to City Council. Several members noted the importance of drilling down further into the raw data specifically to

understand what percentage of full-time residents, who would be the eligible voters in any future referendum, expressed support for a dog park. Director Miller confirmed that a raw data export could be provided to committee members for further analysis.

Director Miller noted that at the June 18 meeting, Planning Director Paula McMichael will present a land use and zoning overview, which will help the committee better understand what properties on the island could realistically be considered for a dog park or other recreational facilities. Several members felt it would be prudent to wait for that presentation, review the survey data deeper, and re-engage the potential private donor before bringing a formal recommendation to Council. The committee agreed that the public-private partnership or fully private funding model appeared to be the appropriate direction, but consensus was to defer a formal motion until after the June meeting.

Chair Denick confirmed he would reach out to the Kingfisher Reality representative regarding private funding and land donation interest and would share findings with Director Miller for distribution to the committee prior to the next meeting. Director Miller confirmed the raw survey data export would be shared with designated committee members for independent analysis.

c. Sanibel Sports (Youth Sports) Status

Director Miller reported that Sanibel Sports, the nonprofit that had historically partnered with the city to offer youth flag football, soccer, and other recreational leagues, formally notified the city that it will not be continuing in that capacity due to insufficient parent volunteer support. The organization's president, Tim Drobnik, met with city staff and indicated he will maintain the nonprofit entity in case a new volunteer group wishes to assume operations in the future. Following this notification, staff reached out to several alternative providers, including Lee County Youth Soccer, Lee County Strikers, Lee County Lacrosse, and I-Nine Sports- a regional contractor that operates with Lee County and Collier County parks departments. I-Nine Sports visited the facilities but ultimately declined to move forward, citing insufficient youth participation to support their simultaneous multi-sport season business model. Their standard pricing of approximately \$139 per child for a seven-week season was also noted as somewhat higher than what island families have historically paid. City staff is now planning to take on direct operation of flag football and soccer programs, with modifications to seasonal timing to better align with mainstream sports calendars—flag football in the fall and soccer in the spring—and youth basketball continuing in the winter. Director Miller noted that a new Recreation Program Coordinator with a background in collegiate baseball is joining staff on Tuesday, which will provide needed capacity. The Sanibel Tropics Armature Athletic Union (AAU) Basketball

program, currently operating under a 70/30 revenue-sharing contract with the city, has parents who have expressed some interest in volunteering to support recreational leagues. Though their bandwidth to commit year-round is uncertain. The committee received this update and confirmed it would receive a continued update at the next meeting.

7. New Business

- a. June 18, 2026 Meeting - Presentation by Planning Director, Paula McMichael. Followed by discussion of opportunities for recreation facilities

The June 18, 2026 meeting will feature Planning Director Paula McMichael's presentation on land use and zoning, covering conservation district classifications, zoning of island areas, and implications for potential recreational development. This is particularly relevant to the dog park discussion and the Council's review of gaps in recreational amenities.

8. Reports

- a. Recreation Revenue
- b. Recreation Memberships
- c. Recreation Non-Resident Membership Sales FY25 vs. FY26

Director Miller reported that revenue for March and April was presented as attached. Overall revenue continues to trend at a ten-year high, with positive impacts from the recent increase to non-resident usage fees.

Director Miller noted upcoming events:

- Bike Safety Event on Tuesday, May 26, from 9:00 AM to 12:00 PM at the Recreation Center, featuring Sanibel PD, Billy's Bikes, Sanibel Fire Rescue, Island Breeze Bike Rentals, and the Sanibel Bike Club
- The Annual Fourth of July event on July 4 from 11:00 AM to 2:00 PM
- Summer Camp starts on June 8th

And, concluded reporting that the Recreation Center also hosted the inaugural Trailways Camp for special needs campers.

9. Chairperson's Report

Chair Denick confirmed the next steps on the dog park survey: he will make contact the private funding representative, and Director Miller will distribute the raw survey data to designated committee members for analysis prior to the June 18th meeting.

10. Committee Member Reports

One committee member inquired whether the city's policy allowing middle schoolers aged 12 and older to access the Recreation Center independently after school could be modified for the fall to permit younger middle schoolers in sixth grade but not yet 12 years old with parental permission. Director Miller indicated openness to reviewing such a policy change.

A committee member reported that Island Seniors Inc. / Sanibel Islanders recently received city approval to open a senior center, to be located near a storefront a few doors from the Sanibel Deli. The center is anticipated to open by September.

11. Next Meeting Date

13. Adjournment

There being no further business, the meeting adjourned at 10:10 A.M.

AGENDA MEMORANDUM
Planning Department

Park and Recreation Advisory Committee Meeting Date June 18, 2026

To: Park and Recreation Advisory Committee
From: Paula N. C. McMichael, AICP, Planning Director
Date: June 8, 2026

SUBJECT: POTENTIAL OUTDOOR RECREATION FACILITIES

BACKGROUND:

Date	Meeting Type	Summary
4/17/2026	City Council	Direction to PRAC to discuss potential “outdoor recreational amenities” by unanimous vote
6/18/2026	PRAC	Discussion

At the City Council meeting on April 17, 2026, the council voted to 1 - “to direct the City Manager to engage the Parks and Recreation Advisory Committee to identify other opportunities for outdoor recreational amenities” and 2- “to develop language distinguishing amenities from attractions.”

1 – The Planning Department has developed a list of potential recreational amenities (including some that are indoor) that have been recently discussed. The table (attached) lists the use and whether it is a permitted or conditional use. A conditional use requires review and approval by the Planning Commission at a public hearing.

2 – The Sanibel Plan contains the following language related to an “attraction” (underlining added for emphasis):

From the background of the Sanibel Vision Statement:

The specter of rampant development has diminished as the community has matured. Nevertheless, unwanted changes are occurring; visitation increases as new “attractions” are developed; beaches and refuge areas are becoming stressed by overuse; traffic congestion is turning to gridlock; and formerly “green” scenic corridors are becoming urbanized and commercialized. These and other conditions and trends cause residents to realize that, unless protected, their island’s historic and cherished way of life is in jeopardy.

From the Vision Statement:

Sanibel is and shall remain a barrier island sanctuary

Attraction

The Sanibel community recognizes that its attractiveness to visitors is due to the Island's quality as sanctuary and as community. The City of Sanibel will welcome visitors who are drawn by, and are respectful of, these qualities; it will resist pressures to accommodate visitor attractions and activities that compromise these qualities.

Hierarchy of Values

This three-part statement of the community's vision of its future is a hierarchy, one in which the dominant principle is Sanibel's sanctuary quality. Sanibel shall be developed as a community only to the extent to which it retains and embraces this quality of sanctuary. Sanibel will serve as attraction only to the extent to which it retains its desired qualities as sanctuary and community.

** The Sanibel Vision Statement (Ordinance #96-06) was adopted by City Council on Sept. 3, 1996*

From the background discussion in the Transportation Element:

Another factor compounding the challenge of operating an effective mass transit system is the fact that nearly all persons arrive in Sanibel with a private auto at their disposal. Because of the resort nature of Sanibel, the City can expect to be besieged with requests to operate trolley or tram tourist attractions masquerading as mass transit. These offers need to be carefully evaluated on a case-by-case basis. Generally, these attractions are more likely to add vehicle trips to Sanibel's roads, than to reduce private auto use.

From the Goals, Objectives, and Policies of the Transportation Element:

Policy 2.11. Limit the number, size and location of private attractions that, by their nature, contribute to an overuse of limited capacity roadways. Within the context of this policy, an attraction is a land use that generates a significant number of its daily and overall automobile trips from off-Island locations.

As you can see from these excerpts, the Sanibel Plan seeks to discourage "attractions" to protect both the sanctuary nature of Sanibel and the Sanibel community and its quality of life. An overabundance of "attractions" catering to tourists comes at a cost both to natural systems and to the small town charm and the sense of community found on Sanibel. This idea also underlines the Economic Assumptions (section 1.3) of the plan:

In order for Sanibel to be economically and environmentally sustainable, means must be sought to reduce the demand on the natural infrastructure. Perhaps no other component of demand is more critical than automobile traffic. Although difficult to do, some say impossible, means need to be pursued to reduce automobile traffic. Such a reduction will go far to retain and, where needed, to restore the Sanibel ambiance, while also reducing the demand on the systems.

Demand, preferably internal demand, needs to be found for surplus retail space. It would be counterproductive to attempt to fill these spaces by stimulation of additional activity from off-Island. Rather, filling these spaces with activities that are presently based at off-Island locations, but already providing services on-Island, would be the better policy. Such a policy may require reconsideration of

Sanibel is and shall remain a barrier island sanctuary

certain of the development regulations relating to permissible uses in such buildings. Supply reduction is another option available to address surplus retail space. This option could be undertaken by the public acquisition of commercially zoned sites.

The economic assumptions of the plan provide guidance on how an “attraction” can be differentiated from an “amenity,” in that an “attraction” seeks to induce traffic and visitation from off-island visitors, and an “amenity” serves existing on-island needs.

RECOMMENDED ACTION: Discussion of the list of recreational uses and whether any changes are recommended; discussion of language distinguishing “amenities” from “attractions.”

1	Do not own a dog	5/9/2026 5:36 PM
2	Didn't know they were available	5/9/2026 2:34 PM
3	I'm not comfortable with many of the dogs that are off-leash at dog parks. I would much rather have a park with a few fenced fields where dogs can run by themselves or with known friends' dogs.	5/9/2026 2:19 PM
4	Location, I'm on island for a reason.	5/9/2026 11:45 AM

7	Too far to drive.	5/9/2026 9:07 AM
8	Did not know they existed	5/9/2026 8:58 AM
9	I believe dog parks are often a source of dog attacks. Many dogs are not supervised at a dog park and that can lead to attacks.	5/9/2026 8:46 AM
10	Inconvenient. Not paying to leave the island to go a dog park.	5/9/2026 7:05 AM
11	Have not brought our dog to Sanibel	5/8/2026 10:10 PM
12	I watch my son's dogs. It would be nice to give them a space to run and play and associate with other dogs. We have so many areas/paths that dogs cannot be off leash. It would be a nice option for them.	5/8/2026 10:02 PM
13	I don't prefer to use dog parks due to the risk of disease to my dog from feces usually present in dog parks. Not everyone follows rules. So although the socialization and running free benefits would be great, I feel it's not worth the risk. Therefore I walk her in the neighborhood where she enjoys socialization with other dogs. Thanks for asking.	5/8/2026 10:01 PM
14	Not close	5/8/2026 9:54 PM
15	I rarely leave Sanibel while I'm there.	5/8/2026 8:22 PM
16	Not necessary. I always walk my dog on a leash.	5/8/2026 8:03 PM

21	Not necessary.	5/8/2026 5:17 PM
22	Where we live in NY they wanted a dog park. The town donated the land. It was to be maintained by private donors. They stopped doing it so now the taxpayers get to pay for people on vacation to use the dog park. Unless a business wants to assume full responsibility for the park - maintenance, insurance, etc please don't consider it.	5/8/2026 4:47 PM

65	Afraid of diseases	5/8/2026 9:03 AM
66	I don't like leaving Sanibel	5/8/2026 8:54 AM
67	They're dangerous for small dogs & in an area where there are coyotes & birds of prey, allowing dogs to run off-leash is extremely dangerous. I'm in the pet health space & would never encourage walking dogs in Sanibel without a 4 to 5 ft. Leash at all times	5/8/2026 8:49 AM
68	Dog parks are risky for small dogs. I avoid them.	5/8/2026 8:44 AM
69	Too hard to get off island and unknown owners. Local owners would be fun to meet up and let our dogs play on occasion	5/8/2026 8:33 AM

244	I do not feel dog parks are safe for my dogs. Many dog owners are naive thinking their dogs will behave appropriately around unknown dogs, hence dog fights and injuries are the result. There are no requirements to ensure dogs are properly trained, responsive to their owners commands, and do not have behavioral or aggressive tendencies. There is limited emergency veterinary care available on Sanibel should a problem arise. In addition, dogs are at risk to exposure to viral, bacterial, and parasitic infections from other dogs. Dog parks overwhelmingly test positive for intestinal parasites (hookworms and roundworms). Aside from my dog concerns, dog parks pose a threat to wildlife and the environment, due to the long lasting effects of parasiticides in heartworm, flea & tick, and intestinal parasite preventatives. These drugs are passed in feces and urine which contaminate the soil, and are harmful to insects and pollinators, especially bees. Dogs can also shed contaminated hair which birds may use for nests. Chemicals of concern are Isoxazolines which are high risk to beneficial insects, Macrocytic Lactones (Ivermectin) which are common antiparasitics and harm dung dwelling beetles and invertebrates, Fipronil and Imidacloprid which are in "spot-on" treatments and highly toxic to bees, and Chemotherapeutic drug residues (Cyclophosphamide, Doxyrubicin) excreted in canine urine.	4/10/2026 2:23 PM

395	Too far away. Love staying on Sanibel.	3/12/2026 11:01 PM
396	Too many dogs, not monitored for vaccines or aggressive behavior, too far	3/12/2026 9:24 PM
397	Not leaving Island just for a dog park... 🤔, wtf?	3/12/2026 9:17 PM
398	Dog parks carry disease and there's always a bad dog that hurts others - that's how I feel - but I know that are people that love them- so I'm not opposed to letting them have one	3/12/2026 8:46 PM

399	The Causeway is too crowded and slow.	3/12/2026 7:21 PM
400	I have a fenced yard for my dogs which is large enough for them to exercise.	3/12/2026 7:10 PM
401	In my experience, the majority of dog parks are disgusting. Unless they are manned by paid staff to oversee the usage. My big dogs get plenty of exercise and socialization just by going on walks. Bringing them to a dog park to run in a small fenced area that could be unkept with a plethora of germs and dog feces is not appealing.	3/12/2026 4:24 PM
402	I have actually been to dog beach with one of our preveious dogs. I currently do not go to the dog parks because it is too much to drive off island for a dog activity. BUT I would love to have one on island.	3/12/2026 3:34 PM
403	Family members would bring dogs to visit Sanibel (from out of state) but will be in the coming months and would use the dog parks. They are up to date on their medial in those states	3/12/2026 3:32 PM

413	Too far away	3/12/2026 12:47 PM
414	They are dirty, many dogs are unruly and unvaccinated and you can unknowingly subject both yourself and your pet to both irresponsible owners and their aggressive pets. Will this be another police problem?	3/12/2026 12:27 PM
415	I know my dog is vaccinated. I know people on Sanibel dogs are vaccinated, but I'm not sure if everybody vaccinate their dogs and dog parks also a little afraid of aggressive dogs that I don't know.	3/12/2026 12:06 PM

555	I don't have a dog right now, but when I did, I use the parks. If I get a dog, I will definitely like a dog park on Sanibel.	3/10/2026 10:45 PM
556	There is always the potential of a large dog harming a small dog regardless of the protests that the large dog is gentle. The large dog in size alone even in play could come down hard on a small dog, thereby harming the small dog. Also dog parks do not tend to be lush pretty environments. The saturation of urine kills the grass.	3/10/2026 10:43 PM
557	We have visited but don't go frequently as they are too crowded	3/10/2026 10:42 PM
558	Not enough shade or comfortable seating for humans. It would be great to have some dog play structures (not just open space/dirt with tennis balls). It gets muddy/dirty and there's no way to wash your dog.	3/10/2026 10:41 PM
559	There is a dog park not listed which is about 20 minutes away. We have used it a few times. If we go off island with the dogs we can't run errands with them and need to come back. We do take the dogs for walks on the beach.	3/10/2026 10:39 PM

621	Time constraints of leaving the island to go to a dog park	3/10/2026 8:25 PM
622	Dogs transmit diseases. Also people bring dangerous breeds like pitbulls and American staffordshire to parks. Bad enough we have pitbulls on Sanibel. No to a dogpark. What if a dog gets bitten by another.	3/10/2026 8:20 PM
623	As a part time resident, the lack of off leash possibilities on Sanibel mean we have not brought our dog to the island. It is too far to use the Lee County parks. We use the local parks in our other home in PA.	3/10/2026 8:20 PM
624	too far to go	3/10/2026 8:20 PM
625	Behavioral issues from aggressive dogs, lack of vaccinations, diseases from feces and other dogs, noise level from barking dogs in concentrated areas, owners that don't control their pets Most veterinarians that I have spoken with suggest keeping pets away from these "parks"	3/10/2026 8:17 PM

627	I am a dog walker here on Sanibel, so I do not take the dog into Fort Myers.	3/10/2026 8:16 PM
628	Didn't know they existed.	3/10/2026 8:12 PM
629	I think dog parks are unsanitary and unnecessary. Well trained dogs can be walked anywhere on Sanibel already - do not see purposes. I would never take my dog to a dog park. Mostly because it's the humans that have not trained their dogs.	3/10/2026 8:12 PM

663	We aren't year round residents yet but maybe would when we are.	3/10/2026 7:39 PM
664	I do not take my dogs to dog parks anymore. You can't control behavior of someone else's dog, most dogs are untrained and I do not want my dog to be attacked.	3/10/2026 7:38 PM
665	The properties are managed as well as the County can, but the patrons are the problem. Many dog owners do not properly socialize or train their pets, and I did not observe any picking up after their pets or helping keep the dog parks in good condition. Poorly behaved patrons of these dog parks also routinely let their pets run around off-leash outside the contained dog parks or near the road at Dog Beach with entitlement that the leash ordinance did not apply to them. I challenge you to go to Dog Beach and not find dog waste or dog waste bags hanging from mangroves; and staff even try to clean it up!	3/10/2026 7:37 PM
666	Sanibel is one of the few places not overcrowded by dogs. I Personally like it that way.	3/10/2026 7:37 PM

698	Live on Sanibel	3/10/2026 7:19 PM
699	Dog parks are significant vectors for the transmission of diseases and parasites among dogs due to close, often unsupervised interaction and shared environments. Common risks include respiratory infections (kennel cough, influenza), intestinal parasites (giardia, hookworms), and viruses (parvovirus), often spread through feces, contaminated soil, or shared water bowls. They are also a considerable risk for injury by unsupervised, untrained, and/or aggressive dogs.	3/10/2026 7:19 PM

If required, would you be in favor of removing 0.25 to 2 acres of City-owned land from the Environmentally Sensitive Lands Conservation District to construct a dog park? NOTE: To remove any City-owned land from the Environmentally Sensitive Lands Conservation District (ESLCD) would require a referendum.

Q18 What is the #1 amenity you would like to have at a dog park? (Ex: Restrooms, Dog Wash Station, Benches, etc.)

1	I don't want a dog park.	5/9/2026 6:18 PM
2	This is a sanctuary island and the land should be protected as such.As stated above, there are 7 dog parks off island near Sanibel!We want this island to remain special and keep the integrity of the plants and wildlife.	5/9/2026 5:36 PM
3	It would be great if we could schedule some time (20 minutes) to play in an open, fenced field with our 2 dogs. Maybe an online sign-up page for us to book some time? Many Sanibel yards are not fenced and consequently, not safe for dogs to run loose to play. I would be more comfortable having only my dogs and perhaps a couple of other dogs who we know in the playing field with us.	5/9/2026 2:19 PM
4	island too small for a dog park	5/9/2026 8:57 AM
5	One of the reasons that I love working on Sanibel is all the conservation that goes on here. Prior to working on island, the incredible commitment to conservation is something that I have always admired and hoped that other areas would adopt similar practices. The fact that is a sanctuary island is very appealing to myself and many others. There are numerous beaches and public dog parks in Lee County and I do not see why there is a reason to make one on Sanibel. This land is reserved FOR CONSERVATION as it is literally stated in the ESLCD. Taking away this land will remove habitat that is essential to the survival of many people. I went to a city council meeting recently where the council members boasted about how Sanibel is a sanctuary island for many creatures. It would be incredibly hypocritical to destroy this conserved land, that allows Sanibel to be the sanctuary island we brag about, to create a dog park. If this proposal gets approved, which I do not think that it should, it absolutely should not be paid for with city funds.	5/9/2026 8:47 AM
6	I do not support any dog park on Sanibel.	5/9/2026 8:46 AM
7	I think a dog park on Sanibel is a great idea!	5/8/2026 10:10 PM
8	Need a permit and proof of vaccines as well as a charge . If dog bag staton and waste area necessary it would need to be paid for by an employee.	5/8/2026 10:02 PM
9	NA	5/8/2026 10:01 PM
10	This island is focused on protecting and preserving wildlife and native wildlife. A dog park would diminish the sanctuary land needed for that purpose. I do not believe that a dog park belongs on this island.	5/8/2026 9:45 PM
11	We definitely need an alternative to exercise our pets other than having to drive several miles across the bridge. I'd rather pay a fee on Sanibel than spend the money on gas to get to a park.	5/8/2026 8:47 PM
12	I am wholeheartedly in favor of a dog park on Sanibel! It would need shade and also a dog waste bag station	5/8/2026 8:37 PM
13	The Dog Park on Bass Rd in Ft Myers is a good model-need separate fenced area for small dogs & puppies	5/8/2026 6:24 PM
14	I disagree with a dog park unless it's a privately funded and maintained location not on city land	5/8/2026 6:08 PM
15	Please don't have a dog park. I'm happy to send you all of the information of the failure of our dog park in Hammondsport NY	5/8/2026 4:47 PM
16	I feel that the maintenance of the park can be self sustaining and possibly even profitable with full-time and visitor memberships available and sales from beverages and snacks.	5/8/2026 4:31 PM
17	Most dog bites happen at dog parks! To dogs and people. And they are full of disease danger	5/8/2026 3:55 PM

	to dog & people!	
18	Would allow for meet and greet with Sanibel residents, creating more of a community feeling.	5/8/2026 3:30 PM
19	I don't think that Sanibel should have a dog park. See no reason for one.	5/8/2026 3:00 PM
20	Do Not Do A Dog Park!! If a private citizen wants to donate their property for the purpose ok but Do Not Take Lands away from native wildlife!!	5/8/2026 12:59 PM
21	No dog park. Remove the leash law on the beach so dog owners can go there.	5/8/2026 12:58 PM
22	I worry that if the dog park is not monitored, people will come to the beach and leave their dogs at the dog park all day and dogs will also be abandoned at the dog park because people think someone will definitely take it home and give it a good home. This is something I saw happening a lot back home.	5/8/2026 12:52 PM
23	As dogs are allowed on beaches on leashes now, don't see that any city/tax payer funding should go towards a dog park.	5/8/2026 12:35 PM
24	Don't want a dog park on Sanibel. Woof-a-Hatchee is close enough and we have so many other glorious options on Sanibel! Including being able to walk one's dog on the beach (leashed)	5/8/2026 12:25 PM
25	I think having a park best the SUP would be optimal	5/8/2026 12:13 PM
26	Not in favor of providing a dog park with taxpayer money because of the high cost of owning on Sanibel.	5/8/2026 12:09 PM
27	Poop bags & bins	5/8/2026 11:47 AM
28	Thanks for considering this!	5/8/2026 11:42 AM
29	Benches are pretty important as well. There are also things that can be built for dogs, little obstacle courses etc. But, that seems over the top.	5/8/2026 11:26 AM
30	It is shameful that a community the size of Sanibel does not have ANYWHERE available for dogs to run free. Dogs, and the people who care for them - are part of the community and deserve at least a tiny part of this enormous island. Thank you!	5/8/2026 11:13 AM
31	There will be so many rules that won't even be worth it	5/8/2026 10:44 AM
32	While I do not currently own a dog, I have owned several in the past, and do love dogs. Sometimes I have dogs visit me (I don't own one) and they take walks on leash. I prefer dogs to be on leash. There are already too many people who unleash their dogs on the beach and do not pick up their waste. Unleashed dogs are unpredictable and are a concern around small children. Some dogs are not comfortable around small children. Also, the coyote population on Sanibel is out of control and unleashed animals are not safe from predators. I would prefer that animals be leashed at all times outside of their own homes and yards, especially on the beach or anywhere where they could be targeted by wild predators or interact with small children.	5/8/2026 10:43 AM
33	Thank you for all you do for our community!	5/8/2026 10:42 AM
34	How about repairing the bike paths for humans. The disrepair of bike path approaching Blind Pass bridge near the old Castaways is a liability for Sanibel - dangerous and ridiculous this is not a priority.	5/8/2026 10:37 AM
35	I would not use a dog park.	5/8/2026 10:30 AM
36	I strongly oppose using any city owned land or conservation land for a dog park.	5/8/2026 9:33 AM
37	Let's not chip away at our land. Once it's gone you can't take it back. We live here because of the preservation land. Dog parks are full of bacteria.	5/8/2026 9:30 AM
38	Taking public lands on a sanctuary and conservation Island to use for a dog park is contradictory & ridiculous. Removing native landscapes and habitat for thousands of organisms can be detrimental, especially for an island of our small size. Especially when even this survey mentions how many local dog parks are in the area. I love animals and dogs, and I really enjoy seeing all the dogs on the island on walks, but it is unnecessary to put a dog park on Sanibel and a waste of our lands.	5/8/2026 9:29 AM
39	I do not think a dog park is a good idea for Sanibel	5/8/2026 9:28 AM
40	This is such a gheat idea, Sanibel really needs this as there is no where currently to have	5/8/2026 9:24 AM

	dogs off leash.	
41	It's good to consider having a dog park.	5/8/2026 9:10 AM
42	A restroom would be great	5/8/2026 9:06 AM
43	No dog Park please	5/8/2026 9:03 AM
44	would be great for centers that have pools to open them up for dogs on the weekend before closing for the season	5/8/2026 8:52 AM
45	Just say no	5/8/2026 8:49 AM
46	Even considering a dog park using ESLCD lands is ridiculous. Where are you getting the monies to maintain it (bathroom s, waste disposal etc) taxpayers monies . You should have a comment setup to rid the island of e- bikes that are speeding around on bike paths causing havoc.	5/8/2026 8:45 AM
47	Don't install a dog park.	5/8/2026 8:44 AM
48	I would charge additional fee or membership to use a wash station.	5/8/2026 8:36 AM
49	I previously owned dogs and would consider using the park on Sanibel Island but not regularly.	5/8/2026 8:19 AM
50	I don't see the need for a dog park. Liability for the city, plenty of trails and other areas already there for dogs to be walk or run. Saving land should be out number 1 priority.	5/8/2026 8:16 AM
51	There is a large open area off Island Rd, just before parking lot. Also, a large open area adjacent to the city playground park	5/8/2026 8:15 AM
52	I think it is important for dog owners to have a local place where their dog can be off-leash	5/8/2026 8:14 AM
53	I don't own a dog, I don't allow renters to bring a dog to my condo, I don't want to be taxed or pay, in any way, for something that will be an ongoing expense, build, maintenance, repair etc., when I don't have dogs. People can exercise their dogs the old fashioned way, on a leash and walk the many sidewalks, or play/exercise them in their yard or on the beach. If dog owners think they need a park then tax them. Charging an entrance fee most likely will not support the daily costs of maintenance, plumbing etc because attendance will diminish. In low season it is likely that very few people will be on the island to use the park. Just like bikers, we don't have a bikers park or exclusive biker trails. They use the sidewalks. So can dog owners, use the sidewalks! This sounds like a self gratifying request of a person with a dog, or a small group of dog owners who want something that others will pay for, so they do not have to exercise their animal. Walking a dog is part of ownership and they should have thought of that, and other responsibilities, when getting the dog.	5/8/2026 8:12 AM
54	We don't have a dog now but are talking about getting one and I think a dog park would be great so dogs can run and socialize. We can't really put up invisible fence in our yard because the front yard is too small and the back yard borders an alligator-infested lake!	5/8/2026 8:07 AM
55	My only concerns are- how would you monitor that a dog is up to date on their shots and if someone brings in a not so friendly dog? Thank you.	5/8/2026 7:59 AM
56	Good behavior and responsible oversight by pet owners	5/8/2026 7:58 AM
57	I love dogs but would not like to see a dog park on Sanibel. It is not needed.	5/8/2026 7:55 AM
58	DNA testing for dog poop is pretty standard in most apartment complex is now, this way you can identify people who are irresponsible and ban them.	5/8/2026 7:52 AM
59	Benches	5/8/2026 7:48 AM
60	I have been saying for so many years, Sanibel needs its own dog park. It is a very welcoming area for dogs (one of the reason we purchase a home here) and no dog park. It is more then dog park but a social gathering place for the community to get together and share.	5/8/2026 7:47 AM
61	Thank you	5/8/2026 7:43 AM
62	Support for ownership and land use would be dependent on the costs- not fully opposed to it being run or on city property but would be dependent on actual information. I truly don't think it would end up being super well utilized as it's so easy to get exercise with them now	5/8/2026 7:41 AM
63	if a partnership need to know on going funding from private donors . City should not hold full	5/8/2026 7:40 AM

responsibility . Must register to waive any liability

64	Dog parks are a nice concept but ripe with/for problems. It would be more for big dogs and visitors to the island.	5/8/2026 7:36 AM
65	Thank you for the consideration of a dog park. I will visit the other parks when we are bag in the fall	5/8/2026 7:35 AM
66	If the proposed site is environmentally sensitive, why would you want to soak it with dog urine that would leach out to surrounding land and properties?	5/8/2026 7:16 AM
67	then wash station and restrooms and separate small from large dog spaces.	5/8/2026 7:16 AM
68	Many of us with large dogs crave a place where we can let them run and let off steam. The leash law on the beaches is a bit restrictive, so we have no other option but to drive across the bridge with all the traffic just to exercise our pets.	5/8/2026 7:05 AM
69	If there is a private funder that wants to have a dark park on land with neighbors consent, that would be good	5/8/2026 7:05 AM
70	We don't need a dog park	5/8/2026 7:04 AM
71	It's needed	5/8/2026 7:03 AM
72	We like the idea but. But not sure of using environmentally sensitive land. Would like to see what options there are for location once that's determined.	5/8/2026 7:00 AM
73	No one will want this near their home. It must be remotely located. It also must not be near the beach as it would likely create concentrated dog traffic on the beach which may annoy beach users and wildlife.	5/8/2026 6:59 AM
74	No dog park.	5/8/2026 6:55 AM
75	Thanks for the survey! I'm from Michigan and it's so much easier to have pets there, Florida has so many dangers to pets. Plants, predators, insects, cane toads, scorpions and fire ants, iguana waste, etc etc. I can't even allow my dogs to play in our yard because of these fears, especially coyotes. It would be so great to have a safe place to take them, without having to leave the island, to play! :)	5/8/2026 6:47 AM
76	This is a really bad idea. Sanibel is already remarkably dog friendly.	5/8/2026 6:47 AM
77	I think a dog park on Sanibel is a bad idea. The maintenance of a dog park would be neverending. I do not believe the benefit to a select few people outweighs the expense and time to maintain it.	5/8/2026 6:40 AM
78	I don't own a dog (now) but think it's a great idea esp for larger dogs - I see many iwners walking them on beach... it would be popular for sure.	5/8/2026 6:39 AM
79	If a dog park could keep dogs off of the beach, it would be a welcome asset to the Island. Beach dog walkers are not always kind to the beach, especially when they leave pet waste behind or bury it in the sand. Pet waste bags are also unsightly on the beach.	5/8/2026 6:28 AM
80	Really really hope this comes to pass! Also hope we can separate the small dogs from the big dogs. Thanks!	5/8/2026 6:27 AM
81	A dog park with separate areas for large and small dogs would be amazing. Please include a small fenced transfer/ entry area at the gate to ensure dogs don't escape every time a new person enters.	5/8/2026 6:23 AM
82	I would think the park should only be open to residents and renters of the island.	5/8/2026 6:19 AM
83	Dogs are everywhere on Sanibel! But given our environmentally sensitive community they can't run off leash. A dog park would be a major social and community hub that would bring many of our people together. We don't have many community gatherings spots.	5/8/2026 6:16 AM
84	Dog park would be an enormously appreciated asset!!!	5/2/2026 8:23 PM
85	Love the idea!!!!	5/2/2026 6:12 PM
86	Much needed, great idea!	5/2/2026 10:34 AM
87	I am a homeowner on Sanibel and I do not have a dog at the present time. I would not want	5/1/2026 3:38 PM

city property designated to a dog park and I would not want to pay for a dog park or amenities. The beaches allow for dogs to exercise and associate with other dogs. There is no need to add a park. It would be an unnecessary use of funds and precious land. Thank you.

88	used to visit Brew Hound Neptune Beach in Jacksonville, great concept	4/30/2026 1:59 PM
89	The entire island is a dog park	4/30/2026 9:32 AM
90	This is a much needed project for island residents and visitors. Sanibel is already walkable, make the dog park a walkable place for people to walk their dogs and play while utilizing space that is under utilized. This can be done in harmony with the environmental concerns and could probably even be done by winding the dog park through nature.	4/29/2026 3:24 PM
91	Is the property behind the rec center ESLCD? Looks like a perfect place to me. Already fenced in.	4/28/2026 8:20 PM
92	NO DOG PARK, MOST OF MY NEIGHBORHOOD DOES NOT OWN DOGS, MOST RENTALS DON'T ALLOW DOGS, WE HAVE MILES OF CONSERVATION TRAILS, SIDEWALKS AND SIDE STREETS TO WALK DOGS	4/28/2026 1:09 PM
93	A dog park sounds great, but they can be a disaster. It will require supervision, maintenance, and insurance. If it was privately funded and required membership, I would support it, but not on conversation land.	4/27/2026 1:57 PM
94	good locations would be the Coastal Creek development which has already been clear-cut, or the city property on Wulfert Road. Could be developed along with a community garden plot	4/27/2026 8:39 AM
95	The main factors for our use would be location convenience and membership and/or cost for use. Most places we have visited, the public dog parks that are City/County owned are no charge.	4/26/2026 5:05 PM
96	Removing 0.25 to 2 acres of City-owned land from the Environmentally Sensitive Lands Conservation District to construct a dog park IS OUTRAGEOUS	4/26/2026 4:40 PM
97	Highly visible signage listing Dog Park rules and penalties. And reminding folks that coyotes, bobcats, gators, and birds of prey all view dogs as a meal. Consider a double-gated entry/exit and 6ft fence to prevent unleashed dogs from escaping.	4/26/2026 11:56 AM
98	While I no longer own a dog, I think a dog park on Sanibel is absolutely needed and would be in keeping with who we are on this island.	4/25/2026 12:54 AM
99	I am a dog owner, but have no interest in a dog park and would not use it. I am not in favor of using city funds to sponsor a dog park	4/24/2026 9:55 PM
100	People never follow the rules. Dog parks are more trouble than they are worth.	4/24/2026 7:38 PM
101	I am a dog owner and a tax payer. I don't see a big need for a dog park here. If people want one, it should be privately funded. I would rather keep taxes low.	4/24/2026 5:47 PM
102	Adding a dog to your family is a responsibility that you must accept and deal with yourself.	4/24/2026 3:18 PM
103	I believe this isnt something the city should do and that you should look into the negatives of dog parks.	4/24/2026 9:11 AM
104	Residents will absolutely pay annual membership fees for this.	4/24/2026 7:28 AM
105	A question should have been asked . What concerns do you have regarding a dog park.... Answer - where and tax payer dollars	4/23/2026 9:23 PM
106	I just need to feel it would be safe as far as interaction with other dogs	4/23/2026 1:55 PM
107	I don't own a dog, but I think a dog park would allow dog owners to have a space to allow their dog to be off leash. This may help reduce the problem of owners allowing their dogs to be off leash on the beaches.	4/23/2026 12:09 PM
108	The dog park up north started out with a lot of interest. After a few months the usage dropped to almost 0. It seemed like a good idea but turned out to be a waste of money and resources.	4/22/2026 4:25 PM
109	Just would like an open space where dogs can run off lease	4/22/2026 2:00 PM
110	Location location location is important. Maybe on land behind old police kennels or maybe land where the community center over flow parking lot is	4/20/2026 7:56 AM

City of Sanibel Dog Park Community Interest Survey

111	It is important that dogs can remain to walk, leashed, on beaches as it's the coolest place in our hot summers.	4/20/2026 6:56 AM
112	Dog park should have fenced areas for different sizes of dogs. A neighbor where I lived had her toy poodle attacked by a much larger dog in a wide open dog park. She was injured trying to get her pup away from it. Size based "pens" are necessary.	4/18/2026 7:05 PM
113	We've visited many of the dog parks in Pinellas County (Clearwater, Madeira Beach, St. Petersburg, Fort DeSoto...) and our dog loves the opportunity to socialize with other dogs.	4/18/2026 4:55 PM
114	Any dog park should be paid for by dog owners. There are a sufficient number on Sanibel to fund it. Why should non-dog owners be forced to pay for something they will never use.	4/18/2026 6:43 AM
115	I do not think the dog park should be city. There are insurance, maintenance and liability issues.	4/17/2026 10:57 PM
116	Like idea of separate fenced area for small dogs	4/17/2026 9:09 PM
117	Sanibel DOES NOT need a dog park!	4/17/2026 7:39 PM
118	This would be a nice addition to our island.	4/17/2026 6:23 PM
119	Great idea	4/17/2026 5:50 PM
120	It would be great if there was a separation for large & small dogs.	4/17/2026 5:28 PM
121	I know lots of people who would use a dog park. Good idea.	4/17/2026 4:55 PM
122	Those of us who enjoy being outdoors with our pets would love a place where dogs can run and burn off some energy with their canine companions.	4/17/2026 4:53 PM
123	Definitely separate small dogs from big dogs.	4/17/2026 4:46 PM
124	This would be great for the island! Safe place for dogs to play and people to gather.	4/17/2026 7:13 AM
125	thank you for considering this addition to Sanibel. We would really appreciate it.	4/16/2026 4:43 PM
126	It would be extremely important to provide access to drinkable water for people and animals as well as waste bags and special containers for dog waste.	4/16/2026 2:34 PM
127	a dog park should only be on privately owned land. No city, county or state for federal lands.	4/16/2026 1:19 PM
128	DO NOT EVEN CONSIDER removing land from protection for a dog park.	4/16/2026 9:53 AM
129	Great place to socialize and meet other dog owners in the Island	4/16/2026 7:28 AM
130	Please keep this simple. It doesn't need to be "the very best" for dogs to have a place to run off-leash. I trust there will be a separate area for large(r) dogs to play.	4/16/2026 6:04 AM
131	If this is going to happen, I highly recommend getting the input of dog trainers to help design a safe place.	4/16/2026 6:02 AM
132	#17 difficult to answer w/out knowing if other City land is available.	4/14/2026 3:38 PM
133	I think a dog park on Sanibel would be a wonderful addition to the community as Sanibel is a very pet friendly island :)	4/14/2026 2:54 PM
134	we need this	4/13/2026 2:47 PM
135	With the trend to owning much larger dogs, 20lbs seem to be rather small	4/13/2026 12:28 PM
136	Important to keep large and small dogs separate - been to many off leash parks where I have seen small dogs hurt by overly friendly big dogs	4/13/2026 10:19 AM
137	I don't know if the area is large enough, but the closed recycling center across from the library would be a good location.	4/12/2026 7:43 PM
138	We do not need a dog park. It's a waste of taxpayers money. I have always had dogs . I don't think they are healthy for dogs	4/12/2026 10:54 AM
139	I believe this should be located next to the child's playground on periwinkle. This is city land that rarely is utilized.	4/12/2026 8:48 AM

140	It would be nice if the area had some shade and source for safe drinking water for dogs..	4/12/2026 12:05 AM
141	I believe this would be well used. We would be willing to pay a fee to use this park.	4/11/2026 4:40 PM
142	Given the number of both Residents and Visitors that have a Fido or 2, perhaps more?... It's really disappointing but also hopeful that the City of SI is finally recognizing this Vital Need. 144	How about public tennis or public pickleball courts instead? Could be used by anyone, whether they own a dog or not	4/11/2026 10:34 AM
145	It's bad enough people's dogs pee and poop all over the beaches. We don't need another poop infested area that the rain washes into or water ways and protected land.	4/11/2026 9:54 AM
146	Separate areas for big and small dogs	4/11/2026 9:34 AM
147	Dogs are antithetical to observing animals in the natural habitat. Dogs are not allowed in National Parks for that very reason. Encouraging dogs on sanibel of concentrating them in any area is a bad idea!	4/11/2026 8:25 AM
148	There are far better uses of Sanibel's valuable land than a dog park. There are numerous ways to get exercise for your dog without a dog park. I can't imagine people who don't have a dog agreeing this is a good use of resources.	4/11/2026 7:24 AM
149	Too many unleashed dogs on the beach. Length of leash for many is too long. Many dogs on the beach are not in the spirit of a wildlife sanctuary. The birds on the beach react to almost every dog passing by. Many dog owners are unaware of the birds. Some are aware but don't care and a few encourage their dog to chase the birds.	4/11/2026 6:51 AM
150	I would have visitors register on line with their dogs immunizations before using the dog park.	4/11/2026 6:35 AM
151	There are other more important projects for the City to spend time/money on.	4/10/2026 11:59 PM
152	Sanibel is a sanctuary island for wildlife. The city fostering residents and visitors to allow their animals to run off leash is contrary to that principle. The use of City owned lands for the free running of dogs is definitely against basic island thinking.	4/10/2026 10:12 PM
153	Rather care about humans than dogs Maybe next a coyote park	4/10/2026 8:58 PM
154	Coming from communities where we have utilized dog parks, we asked our real-estate agent where the dog park was and were shocked to hear there wasn't one. Almost didn't buy here because of it. You can't take dogs off leash on the beach so give them a dog park. It ends up being a community gathering spot. There are so many dogs on the island, it is shocking there isn't one already!	4/10/2026 7:57 PM
155	Not necessary. Maintenance concerns. Can't see it impacting current dog walkers who are respectful of others and their property, however those who don't clean up or when they do, will they still leave their bags behind? By the way...former dog owner and BIG dog lover.	4/10/2026 7:54 PM
156	I have been to a dog park near Tampon that was divided for large and small dogs with benches and shade for owners too	4/10/2026 7:43 PM
157	Strongly support the concept	4/10/2026 7:33 PM
158	Do NOT believe we need a Dog Park at all.	4/10/2026 7:20 PM
159	Make it more than just a dog park.... Somewhere the community gathers (See "Fetch" dog parks or something similar)	4/10/2026 7:09 PM
160	Can't we utilize property for this that has been sitting vacant since Ian, rather than develop additional land?	4/10/2026 6:51 PM
161	A dog park would be a wonderful addition and much needed on Sanibel. During season, it's difficult to walk my dog on Periwinkle due to the many visitors. For safety reasons, having a dog park would be a safe alternative.	4/10/2026 6:07 PM

165	Great spot would be next to the playground near the community house. Full family gathering area included pets. Have trash cans with poopie pickup bags along the shared use path on the east end	4/10/2026 5:29 PM
166	If it is built someone with years of canine experience should be consulted. I have shown dogs in conformation and obedience, trained dogs, worked in dog "rescue" and seen many dog parks built without the safety of the dogs considered. Also, people will not obey the rules no matter what you do so have good insurance. The main problem with dog parks are people!	4/10/2026 4:34 PM
167	In a community that has suffered so much since hurricane Ian, I am disappointed that this is even a consideration. Let's work on getting businesses, restaurants and housing back before focusing on a dog park.	4/10/2026 4:32 PM
168	A dog park is simply not needed	4/10/2026 4:29 PM
169	Although I do not currently have a dog, when I have owned dogs here in the past, I would have LOVED to have had access to a dog park. I suggest a joint City/public venture in that the City would provide the land and basic monetary output for the park (asking for donations from the public), and the park would be monitored by citizen volunteers (and not opened when a volunteer is not available). The City should retain the right to make the rules and to fine/ban people who do not follow the rules (i.e. not picking up after their dog, not removing an aggressive dog, bringing an unvaccinated dog, etc.). The City could charge a nominal fee for each entry into the dog park or sell annual passes for entry to the dog park (could be done at the same time as dog licensing).	4/10/2026 4:26 PM
170	If you decide to put in a dog park. The people who use it should be the people who pay for it, not anyone else. They should also have to have insurance to cover dog bites, spreading of disease, etc.	4/10/2026 4:09 PM

173	As a previous dog owner, I have learned that dog parks are not good for dogs. Or for that matter, have led to "unhealthy" conversations between dog owners.	4/10/2026 3:20 PM
174	I think a dog park on Sanibel is a waste of taxpayer or privately-funded money. Dogs already have the beach to access. I will say that it could be a positive opportunity for dog owners to socialize, but this is already a tight-knit community where dog owners, in my opinion, would be better off meeting new people at off-island dog parks. There is also the risk of unfriendly dogs meeting each other and the noise of barking. This is my opinion and it should be noted I do not own a dog but would not like to see a dog park on this island.	4/10/2026 3:18 PM
175	Thank you!	4/10/2026 3:13 PM
176	dog park is a bad idea	4/10/2026 3:11 PM
177	I don't see the need for a dog park here. There are plenty of open spaces and beaches. The island is dog friendly so responsible owners can bring their dogs everywhere	4/10/2026 3:01 PM
178	I already completed the survey. Am a seasonal legal resident of Sanibel and own a dog. I'm generally in favor of a dog park, but feel this survey would be more informative if you could provide some specific examples of where a dog park might be located. I had a hard time favoring "environmentally sensitive" areas, but don't think the only open spaces on sanibel are truly "environmentally sensitive. If the survey provided more clarity around possible locations, answers might be better informed.	4/10/2026 2:48 PM

184	As a retired veterinarian, I feel the risks far out weigh the benefits of a dog park. While the benefits of exercise and mental stimulation are good, the risks of disease transmission, parasites, dog fights and injuries, and lasting negative behavioral impacts from a "bad interaction" are much worse. Dog owners have varying opinions on what "fully vaccinated" and protected includes, and what a well-socialized, nonreactive and non resource guarding dog behavior entails. I also have concerns about owners not actively monitoring their dogs, not glued to their phones, and being able to safely intervene if play gets too rough.	4/10/2026 2:23 PM
185	We have no dogs at present, but we are dog lovers. Owning and caring for dogs should be an entirely private endeavor, planned and paid for by the dog owners. The City should not provide the land, development or upkeep. It could be on a commercial parcel with costs underwritten by memberships or guests.	4/10/2026 2:16 PM
186	It seems ridiculous to have a dog park on a sanctuary island with so much green space.	4/10/2026 2:12 PM
187	A dog park will be a great thing for Sanibel and will help keep more dogs off the beaches where they will flush out birds. There is a Big need for a dog park between Sanibel and Bass Rd. in Ft Myers. Dogs need to be able to run off leash and to exercise with other dogs. This will help further our image as a model community.	4/10/2026 1:43 PM
188	Dog parks are not a match for my dog. I prefer to walk my dog in locations where I'm familiar with the territory and other dogs and their owners.	4/10/2026 1:43 PM
189	I do not favor a dog park, particularly one that is taxpayer funded. Any such park should be paid for by dog owners.	4/10/2026 1:33 PM
190	I'd love a place for my dogs to play but due to dog reactivity and unknown behaviors of other dogs, I'm unlikely to use. UNLESS, there was a section that could be reserved for solo play or with known dogs.	4/10/2026 1:30 PM
191	Generally, I'm OK with a dog park on Sanibel, depending on where it would be located.	4/10/2026 1:29 PM
192	Consider adding some agility equipment!	4/10/2026 1:28 PM
193	Access to drinking water for dogs. Something providing shade for pets or/or people	4/10/2026 1:25 PM
194	Please do not put the dogs in front of the needs of people, restoring our environment from the storms and the safety of all people including children on our roads, parks and bike paths	4/10/2026 1:15 PM
195	A dog beach, where dogs could run off leash, would be optimum.	4/10/2026 1:09 PM
196	It's bad enough that the beach is becoming a dog park, now the city wants to foul up environmentally sensitive land? The owners will continue to bring the dogs to the beach; a dog park is just social hour for owners. (When the complaints start about aggressive dogs and lax owners, what happens then?)	4/10/2026 1:02 PM
197	Dog park is a great community amenity and gathering space to meet others-something the island currently lacks	4/10/2026 12:59 PM
198	I think land for this should be purchased utilizes funds raised from those supporting this endeavor and the property should be an area that is not being rebuilt on. I would suggest strongly not using conservation land. People who want to use the dog park could purchase a membership annually, much like beach parking permits.	4/10/2026 12:58 PM
199	The amount of parking required to make the dog park reasonably accessible concerns me.	4/10/2026 12:57 PM
200	We're not currently dog owners, but support a dog park. It's a great community gathering spot. We need more informal community spaces for connectivity with our neighbors.	4/10/2026 12:55 PM

205	A dog park could provide healthy socialization along with exercise and a dog friendly environment.	4/10/2026 12:42 PM
206	Again, if people cannot provide for pets on their own property or by taking a walk along the beautiful pathways, they should not own a pet. People who wish to have a dog Park can leave the island or move. Sanibel Island is beautiful as it is.	4/10/2026 12:38 PM
207	Great idea to have both larger and smaller dogs play areas, it creates much happier and healthier dogs.	4/10/2026 12:36 PM
208	I don't think a dog park is needed on Sanibel.	4/10/2026 12:31 PM
209	I was bitten by a vicious dog when I was a small child. I am greatly in favor of a dog park as it could help avoid interactions I sometimes experience on the shared use paths with dogs/owners that frighten me. I understand it won't eliminate the issue, but I'm supportive of protected areas for dogs and their owners.	4/10/2026 12:29 PM
210	I would use the park for when my off island family brings their dog to our house. I would probably only use it a few times a year. Thanks for your consideration of our four legged friends.	4/10/2026 12:25 PM
211	Should separate large and small dogs.	4/10/2026 12:21 PM
212	Could still have owl or other bird box/platform at/near the park	4/10/2026 12:21 PM
213	My relatives/friends who visit us with their dogs would use it when they come to visit.	4/10/2026 12:21 PM
214	Please see Fetch Park online - it is the ultimate! A small private business coffee shop would be attractive for both morning and afternoon visitors - and maybe help pay for the maintenance of the park.	4/10/2026 12:19 PM
215	Why revisit this issue . Just because some part time resident is crying to the Board? Same with the roundabout . Don't spend grant money on this like you do with the roundabout.	4/10/2026 12:18 PM
216	I'm assuming there would be separate large dog area & small dog area. I'd like to see the small dog area large enough that the dogs can run free a great distance after a ball - not a small, cramped area where there's nothing for them to do.	4/10/2026 12:15 PM
217	I don't feel it's the best use for conservation land.	4/10/2026 12:15 PM
218	Please keep dogs out of restaurants and grocery stores as well as the Farmers Market.	4/10/2026 12:14 PM
219	It is very sad that the City officials would ever consider removing land from ESLCD for a dog park. Let's add MORE land to ESLCD!	4/10/2026 12:13 PM
220	Would look into the best ground covering to help eliminate bacteria and pests. Also benches and shade covered areas.	4/10/2026 12:13 PM
221	A dog park serves a very limited percentage of the taxpayers, so funding should not be from the general population. If there were to be a dog park, it should be paid for by those who use it.	4/10/2026 12:12 PM
222	We are not in favor of a dog park on the island.	4/10/2026 12:10 PM
223	Make it happen 🐾	4/10/2026 12:09 PM
224	Would be nice to have fenced in off-lease areas for small dogs and another for large dogs, with seating for owners at each along with dog bags and waste cans.	4/10/2026 12:09 PM
225	Conservation land should in no way be utilized for a dog park. Does this not contradict the "sanctuary" nature of this island?Otherwise it just seems it's a designation to use only when it serves the powers at be	4/10/2026 12:07 PM
226	I do not support a dog park.	4/10/2026 12:06 PM

230	We'd like to see some signage with basic rules of some sort, I believe ~ thanks! We'd be watching our girl closely, if we brought her!	3/30/2026 8:18 PM
231	I have previously joined a fee dog park and it was awful. I thought if people had to pay to use it, it would be a nice place to take my dog. I was very wrong .. dog poop was not picked up even tho bags were provided. (If this is included in plan, how is this funded?). Our park had large dog area and small dog area, Our large dog was frequently being attacked by an aggressive husky ... What liability does the city / dog owner incur? Are all dogs vaccinated and how is this documented? If the dogs get a park, are they still allowed on the beaches? Cleanup there is also not great. Poop bags are frequently found on west gulf and the beach accesses 1-7.	3/26/2026 8:07 PM
232	I do not think many people will get in their cars and drive to a dog park. For one thing we don't need the additional traffic. And with many older dog owners, there is increased liability and risk with untrained dogs.	3/26/2026 6:25 PM
233	Get a dog park done fast..... It's so important for tax payers!!	3/26/2026 7:53 AM
234	Please don't approve this. Not appropriate for a sanctuary island.	3/25/2026 8:50 PM
235	Dog park limited to Sanibel home owners or tax paying renters, not vacationers. Perhaps need a key card to unlock gate? Fear that renters who are only staying a short while on the island aren't invested in the community and could bring ill behaved or unvaccinated dogs.	3/25/2026 7:54 PM
236	I can't believe a city like Sanibel doesn't have an area for dogs to run off leash. The dogs we meet on the beach are all so well behaved but kept on leashes when they just want to run a little. The places off island are just too far for people that work full time. Please be better, Sanibel.	3/25/2026 4:59 PM
237	I do own a dog; however, I don't enjoy hearing other people's dogs barking. The location of a dog park is problematic as many potential locations are very near residential communities. No one desires a dog park in their backyard. While I do believe a dog park would benefit the community, selecting just the right location will be tricky. Maybe somewhere off Island Inn Road.	3/25/2026 2:02 PM
238	restrooms would be a plus but not necessary	3/23/2026 2:18 PM
239	A dog park would be visited by many of us who have active dogs that need open space to run. The leash law on the sidewalks and beaches are understandably restrictive, so having an open space for off leash play and exercise is in high demand among fellow pet owners. The burden of driving several miles to sit in Ft. Myers or Bonita Springs traffic is a chief complaint and a deterrent.	3/21/2026 3:38 PM
240	Surprised Sanibel does not already have dog park	3/21/2026 9:48 AM
241	I support a city funded dog park for dog owners.	3/20/2026 7:19 PM
242	Dog parks must have very specific rules. No aggressive dogs allowed, etc.	3/20/2026 6:27 PM
243	Need to have a small dog area that is separate for dogs under 20 lbs to run free. Small dogs can be scared when there are a lot of big dogs running around.	3/20/2026 5:00 PM
244	Dog park has been rejected in past, should be rejected this time	3/19/2026 12:49 PM
245	The city's reluctance to build a simple dog park is embarrassing. We certainly pay enough in taxes to have made this happen 10 years ago.	3/19/2026 8:13 AM
246	Water fountain	3/18/2026 5:20 PM
247	Not a fan of dog parks.	3/18/2026 1:49 PM
248	Would love to have a dog park. Having a safe fenced in area for my dog to play and not have to worry about coyotes would make such a difference for myself & my dog. He'd be able to get more exercise that he really needs.	3/17/2026 5:30 PM
249	This is such a necessary component to our community. It is of the utmost importance to have a place to bring our dogs. This is amazing and so encouraging	3/17/2026 4:14 PM
250	Dog parks are great... if poop is picked up, if smoking is NOT allowed, if people are watchful & respectful, if dogs are playful but not aggressive, and if fencing and double-entry gates are safe and secure. Parking would need to be close by, because I can't bring my 45 lb. dog on my	3/17/2026 1:25 PM

bike. I think a membership would allow park to enforce vaccination policies, and policies re: dog & human behavior. How will short-term visitors use the park if a membership is required? Similar to Recreation Center membership? Division of large dog and small dog would be ideal if space allows. Good luck with the project. But it should not come at the cost / trade-off such as banning all dogs on Sanibel beaches. Our leashed dog enjoys his beach walks!

251	This amenity is long overdue for our community	3/17/2026 10:49 AM
252	Think a dog park for responsible Sanibel citizens is really important to enhance our (people) and pets bond.	3/17/2026 10:16 AM

255	Let's give us a dog park. Come on now! :)	3/16/2026 12:40 PM
256	I would use if there were strict guidelines in place to prevent dog fights. I would only use if I felt my dog would be in a safe place.	3/16/2026 11:16 AM
257	Our dogs need to run! A dog park would allow them to exert more energy, exercise and remain healthier.	3/16/2026 10:21 AM
258	An outdoor fitness park for the community would be more beneficial for full-time island residents, as well as visitors, to enjoy. The same amount of city-owned land mentioned above would be enough. I know many people in favor of this. Please seriously consider!	3/16/2026 9:55 AM
259	Continue to make Sanibel a great place. Dogs are part of that !	3/15/2026 7:55 PM
260	NOT IN FAVOR OF ANY DOG PARK	3/15/2026 7:25 PM
261	Who will monitor? Who will cite owners who don't clean up after their dog?	3/15/2026 6:25 PM
262	Proof of vaccinations has to be a strict policy that is regularly monitored. No dog should be allowed in the park if vaccinations have expired or are not on file.	3/15/2026 3:28 PM
263	I always bring poop bags to the dog park, but some people don't or forget them. My 1 year old Golden Doodle loves dog parks and doggy day care too.	3/15/2026 3:21 PM
264	Dog parks account for an increased and significant percentage of dog & people injuries!!!	3/15/2026 1:56 PM
265	A dog park on Sanibel would be awesome, I would suggest a separate area for small dogs.	3/15/2026 1:51 PM
266	Thanks for opportunity to share feedback. Dog park on sanibel would be much appreciated. Might be nice to have separate areas for small and large dogs.	3/15/2026 12:04 PM
267	I do not own a dog because I am allergic to most dogs. I enjoy dogs and would likely own one or two if I were not allergic. However, because of my allergies and personal preferences, I would not use a dog park on Sanibel or anywhere else. In addition to my allergies, dog parks can create several concerns that make them less appealing. These include potential noise, odor, sanitation issues, and the possibility of conflicts between dogs or between dogs and people. Dog parks can also require ongoing maintenance and enforcement to ensure waste is properly managed and that pets are controlled and vaccinated. For these reasons, I also do not support using approximately two acres of City-owned land within the Environmentally Sensitive Lands Conservation District to construct a dog park. Land in this district is intended to protect sensitive environmental areas, wildlife habitat, and natural resources. Converting such land to a dog park would introduce impacts that are inconsistent with the conservation purpose of that designation. While I understand that some residents would enjoy having a dog park, I believe environmentally sensitive public lands should remain preserved for their intended conservation purposes.	3/15/2026 11:17 AM
268	Firmly against using Sanibel Environmentally Protected land for a dog park or anything else.	3/15/2026 10:45 AM
269	I believe the people Sanibel would keep this dog park, clean and a safe haven for all dogs	3/15/2026 10:20 AM
270	Long overdue, and don't get stuck on the size. Even if less than a quarter acre it will be more than adequate given the population size of Sanibel.	3/15/2026 10:12 AM

274	PLEASE find a way to educate the public (everyone I have spoken to has never thought of these points!) - This will benefit our elderly and mobility challenged. They need to exercise their dog, but can't and/or hire people to do it for them - \$25 for 30 minutes! (My (deceased) husband with dementia would have panic attacks if I was out of his sight. I would sit him in the car at Periwinkle Place and walk the dog back and forth in front him/viewing distance. I would have loved to sit with him on a bench and watch our dog in a controlled area. - Most Sanibel houses do not have fences, do not have GRASS - in order to continue our island/open feel aesthetic, having an area to take them would help. - Having a designated area WILL reduce the number of dogs on the path (which gets awkward for those on bikes or fast walkers) AND it will reduce the dogs on the beach (birds resting)	3/15/2026 9:47 AM
275	this is a much needed resource especially for small dogs that can never be off leash because of all the dangerous critters on the island	3/14/2026 6:07 PM
276	A dog park would enhance Sanibel's dog friendly reputation. I encounter many dog owners on the beach who would love to let their dogs play with other dogs.	3/14/2026 5:05 PM
277	A dog park is not needed on Sanibel.	3/14/2026 3:05 PM
278	City can be sued by owners if there pet get attacked by a vicious dog off leash...Be careful what you are opposing..	3/14/2026 1:45 PM
279	The City needs to do all it can do to get our economy back on it's feet. This would be a very nice attraction at a minimal cost.	3/14/2026 1:38 PM
280	The ability to separate large from small dogs would be helpful. No turf please, it never lasts as the turf becomes super hot and stinky within a couple months of use.	3/13/2026 10:00 PM
281	Why don't you let the Halliburtons open this up and save all the costs for the taxpayers?	3/13/2026 9:14 PM
282	Separate large and small dog sections and a Little Free Library stationed there that is a "Take a dog toy or leave a dog toy".	3/13/2026 8:22 PM
283	No need for a dog park on Sanibel! Walk your dog on a leash, pick up after it!	3/13/2026 7:42 PM
284	I'm not a dog owner but I support a dog park.	3/13/2026 5:28 PM
285	It's a good community thing. A meet and greet thing.	3/13/2026 4:40 PM
286	It doesn't have to be fancy. Or big. Why not a dog run at the city park where there is/was the volleyball court that no one uses? Also, there is a gigantic circular turnaround at the end of Island Inn Rd that is oversized and barely used. Part of that could become a dog run. That is not environmentally sensitive land.	3/13/2026 4:07 PM
287	Big mistake	3/13/2026 3:51 PM
288	Dog waste stations	3/13/2026 2:36 PM
289	keep small dogs in one place large dogs in another	3/13/2026 1:17 PM
290	I live in a neighborhood full of dogs who could all benefit from a dog park. I am not currently a dog owner but have been, love dogs and allow them to visit my home. Yards are pretty small on the island and dogs really need a place to run free or be off a leash outdoors once in a while. In addition, small dogs are always subject to our protected island predators. I think a dog park fits well with our island's welcoming attitude to animals.	3/13/2026 12:11 PM
291	I do not want this funded by the city or built on ESLCD. If the city runs it the city is responsible. What if someone or their pet is hurt? Who is going to enforce the rules? Most dog parks discourage food, toys, etc. I take my dog to daycare because it's controlled. A city dog park would be an expensive liability for the city that only benefits a few	3/13/2026 10:18 AM
292	If using environmentally sensitive areas to construct I would limit the size and have a capacity for number of dogs at any time.	3/13/2026 9:17 AM
293	We are a seasonal resident and have a dog park near our home in Texas. We use this numerous time a week. It is just a basic park fenced area with benches but works great. It is	3/13/2026 8:58 AM

	free to use and doesn't take much up keep other than occasional mowing.	
294	We don't have a dog, but so many do and a dog park would be well used.	3/13/2026 7:48 AM
295	Not a priority for City. Allow private/non profit exploration of dog park	3/13/2026 7:37 AM
296	Please do this! We must travel to Bass Road in Ft Myers for our dog to run and sniff and play. Please supply dog bags so humans can clean up after their dogs. Benches for humans would also be nice. We would LOVE to see a bark park on Sanibel and literally would use it every day.	3/13/2026 4:16 AM
297	This would be wonderful!!! Have you contacted Mellissa Halliburton- owner of BringFido.com? She could help this become a reality!!!!	3/12/2026 11:01 PM
298	Fencing will need to be very fine mesh to protect from cane toads and other hazardous critters.	3/12/2026 9:24 PM
299	I don't think a dog park is a good idea as it will always be littered with dog poop. I've seen this several times at other parks. Many owners will not pick up after their dogs and the park will just become a mess. Unless of course, a regularly scheduled cleanup service is factored in.	3/12/2026 7:10 PM
300	We love the Woof-a-hatchee park and visit often. Great way for both humans and canine friends to socialize.	3/12/2026 4:57 PM
301	I think it would be wonderful having a dog park where are pets could run around free. I think it would be fine to require everyone to purchase a special dog park pass annually to use the facility and only allow access to owners who have purchased the pass. This way it would insure visitors have their pets up to date on vaccinations and city licensing. Also, it might be nice to have two different areas for the dogs: large dogs and small dogs. Maybe even be creative with an off-leash path walking area.	3/12/2026 3:34 PM
302	A dog park would enhance the quality of life for all.	3/12/2026 2:41 PM
303	Might be nice to have a section reserved for small dogs or puppies who are overwhelmed by large dogs in single area.	3/12/2026 2:26 PM
304	Will only create more traffic and liability issues. Who is responsible when someone is bitten? Who is going to clean up after the dogs and owners? Not fair for taxpayers to have to pay for a no value added dog park used by a small percentage of people.	3/12/2026 2:22 PM
305	I am in favor of a dog park so that dogs can be restricted from the beach. A dog park would give people a place to take their pets for recreation. The reasons I believe dogs should be restricted from the beach are as follows: 1) it is a dangerous liability for the city to allow dogs on the beach. It is only a matter of time before there is an incident. 2) I have seen people allow their dogs to chase/harass shorebirds. 3) I think it is discusting that some people encourage their dogs to swim at the public beach. In summation, it is an unnecessary liability, dogs are a detriment to water quality, and dogs are disruptive of shorebirds that should be free to roam without harassment. Thank you.	3/12/2026 2:18 PM
306	Glad you are considering it. Also should consider an area of the beach that could be off-leash during certain hours of the day.	3/12/2026 2:03 PM
307	Sanibel should not be accommodating dogs.	3/12/2026 1:28 PM
308	The city can find a suitable property that is not in the environmentally sensitive lands conservation district. Seek out public/private partnerships to get this done.	3/12/2026 1:14 PM
309	We would passionately support a dog park on Sanibel in any way possible. I used to live in the Keys - and you could bring your dogs anywhere outdoors (as there were more outdoor restaurants). It was incredible for the community as everyone's dog became the "community dogs." We bring our dog Barkley, frequently to Doc Fords and he is becoming a bit of a local celebrity ... even for being on the bigger side (60 lbs) - he is warmly received and adored. It's amazing to see people's faces light up when they see him. We recognize dogs on Sanibel as being part of our family, they deserve their own place too.	3/12/2026 12:52 PM
310	Sanibel should implement this immediately, it is way overdue. Especially now with all the coyotes running around, dogs need a safe place to play.	3/12/2026 12:47 PM
311	Visitors and non residents should have no influence on this decision at all as they are not tax payers or residents.	3/12/2026 12:27 PM

312	This would be a great addition to Sanibel, the pet friendly island!	3/12/2026 11:52 AM
313	much needed amenity for islanders	3/12/2026 10:57 AM
314	A dog park on the island would be beneficial for both residents and visitors. Surprised that City leadership or Chamber have not addressed.	3/12/2026 10:48 AM
315	Taxpayers monies should not be used to fund a dog park. Potential for liability issues that could result in lawsuits regarding personal injury/ dog bite issues.	3/12/2026 10:40 AM
316	Ideally, there would be separate areas for small and large dogs.	3/12/2026 10:39 AM
317	My other home is in Highlands Ranch Colorado. We have many dog parks which are free to the public. Our community association fees probably cover them but that also covers rec centers, parks and many other amenities. Our dog parks do not require a million dollar upkeep per year. I think a dog park would be fun and people would use it. But I don't know if residents would be willing to foot the bill to help pay for it. I listened to the meeting. This survey does not have a question about whether they would be willing to do so. That could be a factor. I'm sure this survey is just first steps to see if there is a need. Just an observation too. I'm on island right now. There is a big difference between the amount of people I see out walking dogs now compared to when we come down during the summer months or even in the fall.	3/12/2026 9:11 AM
318	If there was a dog park, I hope it would be divided into two sections. One for small dogs, and one for large dogs.	3/12/2026 7:42 AM
319	You know probably the most important thing would be to have a division between small dogs and a large dogs	3/11/2026 10:13 PM
320	I believe sanibel needs this. Many dogs on island that cannot run free. It would be a great amenity. If it's of any help my son works at a swimming pool supplier and I owned a pool co. For over 20 years. If you would like a water feature. I could help, no pressure.	3/11/2026 9:23 PM
321	I'm sorry I am not more enthusiastic. Our neighborhood has lots of dogs so I'm sure there will be many other residents who do support it.	3/11/2026 8:21 PM
322	This is a very bad idea for the island, with limited vet services and many dog owners, irresponsible owners could cause serious harm to other dogs or people.	3/11/2026 8:18 PM
323	We are fortunate on Sanibel that our leashed dogs are allowed on the beach and we will never take that for granted. However, there is no place for our dogs to run and play off leash, so we'd regularly drive off-island for this purpose. Such a place on island would be terrific. Typically dog parks are also nice socializing spaces for those of us on 2 legs as well.	3/11/2026 6:37 PM
324	Dog park would be great but attractions should be done in harmony with the sanctuary not at the expense of it. If that can't be done the Sanctuary is our most important value for the island so that should be prioritized.	3/11/2026 6:37 PM
325	Good idea—a dog park would be widely used.	3/11/2026 6:31 PM
326	Off leash hours on Sanibel beaches - early morning and late evening - perhaps not in high season.	3/11/2026 6:30 PM
327	This is urgently needed!	3/11/2026 6:22 PM
328	Since people would have to drive to this park. Have you considered how much parking is needed. I don't see people walking their dogs to this parks.	3/11/2026 6:12 PM
329	Membership to encourage rule enforcement and responsibility	3/11/2026 4:28 PM
330	This is very needed for Sanibel!!!	3/11/2026 4:21 PM
331	No taxpayer money for a dog park. I say this as a former and soon to be dog owner. Our taxes are already too high. A dog park should not cost other taxpayers money and neither should one be constructed on environmentally sensitive land. Of someone wants to donate land and private funding then go ahead. But not if it affects any nearby property values.	3/11/2026 3:53 PM
332	I owned a small dog for 15 years and enjoyed walking my dog on a leash on the beaches and shared use path. I think any park & recreation improvement using city land should be a benefit to all residents. I believe a prior survey indicated people wanted a mini golf, public pickleball courts, etc.	3/11/2026 3:42 PM

333	Hard to answer question 17. Would there be other options other then conservation land?	3/11/2026 3:37 PM
334	Port a potty would be fine with me	3/11/2026 2:41 PM
335	We are very excited for the potential of a long needed dog park on the islands.	3/11/2026 2:36 PM
336	My hope is that you would construct the round about to ease traffic problems on Sanibel before putting in a dog park. Thank you for the opportunity to comment.	3/11/2026 2:32 PM
337	For lack of better words, this idea/proposition is quite stupid and would be another fine example of resources wasted to "solve" problems that don't exist...It would be accurate to say 95% of rental properties (condo or single family) do NOT allow renters, vacationers, or tenants to have pets. Many condos don't even allow the owners to have pets. So the idea of removing conservation land for a limited pool of people that are too cheap to fence their own yard is mind numbing. To make matters worse, if you indicate I/Sanibel residents would need to subsidize even a dime would inspire me to bring out my pitchfork and torch.	3/11/2026 2:32 PM
338	There are many resident dogs on the Island that just want to run and play with other dogs. It would be so nice to have this for them and their owners. I feel it important to have a membership, updated vaccinations and for people who own property on Sanibel. Question #12 is hard to answer. I would hope that we could get enough donations to construct and help maintain the dog park. I feel it should be run by the City of Sanibel and hopefully continued funding by donations and memberships of the people who use it. I think this would help get non dog owners approving of a dog park and dog owners to help maintain it. Thank you so much for considering this.	3/11/2026 2:28 PM
339	geat idea	3/11/2026 2:23 PM
340	Best dog park ever is in Shelburne VT. They fenced off a long narrow wooded area so there is lots of shade, no grass or gravel and it feels very natural and there is lots to explore. Worst parks are open, grass or gravel, and no shade.	3/11/2026 2:22 PM
341	This is a GREAT idea and long overdue.	3/11/2026 2:18 PM
342	Do not use refuge land	3/11/2026 1:22 PM
343	This would increase community support which likely would result into future additional community services assistance due to commonality amongst residences. Don't just think dog park but think gathering people and their dogs who have a common passion that can help in other areas in community due to the relationship building that occurs.	3/11/2026 12:52 PM
344	Water station for dogs - not to bathe, but to drink. At least a fresh water source, perhaps not a "community" bowl. Poop bags available as well as trash cans	3/11/2026 12:14 PM
345	Leaving the island with a dog to provide an area for the dogs to run and play takes time away from enjoying our island. Not to mention alligator and coyotes that are increasing in population. Repurposing the land doesn't take away from providing wildlife a habitat to live in.	3/11/2026 12:01 PM
346	The City has SOOO many other pressing issues that need financial support than this, especially since the hurricane. For the City to financially support this, which would not be used by all city residents, would be finally foolish and I wouldn't support it. If anything, put that money towards repaving or expanding parts of the bike and walking paths or anything else that would be used by ALL residents and is already needed maintenance.	3/11/2026 11:55 AM
347	Against a dog park, especially in light of taking environmentally protected land to do it. Would be in favor of a people park to do this, not for dogs.	3/11/2026 11:32 AM
348	A dog park would be OK as long as bully breeds were banned.	3/11/2026 11:17 AM
349	The people on Sanibel that would use the dog park would not pay attention to any of the rules or control their dogs. If you have ever visited the end of Dixie Beach Road / San Carlos Road; owners let their dogs run free there and they regularly fight with each other and chase runners / bikers and the owners could care less. There will be little effort to control their dogs within a dog park	3/11/2026 11:15 AM
350	Our family is 100% opposed to having a City Owned, Operated, Financed Dog Park. If dog owners want a dog park this should be a privately owned and operated. THIS SHOULD NOT BURDEN OUR TAX PAYERS. This is a very specific amenity for a very small group of residents.	3/11/2026 11:13 AM

351	Although I am not a dog owner, I think a dog park would be an asset to Sanibel.	3/11/2026 10:57 AM
352	I recently moved from Lake County, IL, and their dog parks were a welcome addition to county services. While I understand Sanibel has limited space, I feel a dog park would also be a welcomed addition.	3/11/2026 10:52 AM
353	If the proposed area is truly environmentally sensitive, I'd be reluctant to use it. But, there is a lot of property on Sanibel that is in preserve, doesn't seem to be fragile, and which is completely unused(e.g. along Island Inn Road). I'd support carving out a little of that. I also would support public fundraising and small membership fee to help defray city expense.	3/11/2026 10:38 AM
354	A dog park would benefit dog owners and non-dog owners alike. Fewer dogs on sidewalks, dogs get to exhaust their energy, a opportunity for non-dog owners to sit, watch and enjoy the action.	3/11/2026 10:30 AM
355	I also would like to see poop bags and garbages	3/11/2026 10:29 AM
356	Sanibel should have had one of these by now.... years ago. Many dog lovers here.	3/11/2026 10:19 AM
357	Fenced and with some shade	3/11/2026 10:19 AM
358	The problem I have is mostly with the owners who haven't trained their dog properly. They let them off leash and anything can happen. My other concern is how do we know they are up to date on their shots? Especially Rabies and Kennel Cough.	3/11/2026 10:09 AM
359	Tax payers should not be taxed to fund a dog park. A fee or membership fee should be charged.	3/11/2026 10:09 AM
360	I believe this would be a huge asset to residents and visitors on Sanibel. It may also help some feel more confident with their pets given hufe over development of Coyotes	3/11/2026 9:59 AM
361	This is a wonderful initiative, many residents and visitors own dogs and would be a great place to get together.	3/11/2026 9:55 AM
362	We have lovely walks and trails for dogs and active dog owners. Let's not create a problem!	3/11/2026 9:44 AM
363	The city should not sponsor a dog park. It does not conform with the city's vision as a sanctuary island.	3/11/2026 9:27 AM
364	Not really in favor of the city using their time and resources for a dog park.	3/11/2026 9:25 AM
365	Trash cans for dog waste, trees or other to provide several shady areas	3/11/2026 9:24 AM
366	Though I am just a seasonal visitor I am a long term renter, so I am invested in the well being of the island. I have always appreciated that Sanibel's beaches were pet friendly, but a safe, no leash option for my dog to run would be lovely. I would consider paying a small fee to use.	3/11/2026 9:22 AM
367	Can be bad for canine health, uncontrolled or aggressive dogs	3/11/2026 9:12 AM
368	Great idea	3/11/2026 9:12 AM
369	Santiva Islanders needs a meeting room for physical and mental health activities and should be supported by the City of Sanibel.	3/11/2026 9:11 AM
370	This will be great!	3/11/2026 9:07 AM
371	Sanibel is very dog friendly—so many restaurants and shoppes are dog friendly. We need a dog park where dogs can legally run off leash.	3/11/2026 9:05 AM
372	Why are you only offering conservation land? Is there no other option? What about seeing if a private landowner would convey a piece if you don't have land to offer? A dog park seems really important as I see all the complaints about dogs on beach which is the only open space for us now.	3/11/2026 9:01 AM
373	With 70% of the Island in conservation lands I believe we need to move to strike a balanced approach with the need for community. Using 2 acres for a dog park is a great use in that direction. Thank you for bringing this up again. Please keep pushing this forward. Very much needed in a community our size.	3/11/2026 8:49 AM
374	Area needs to be divided by small dogs weighing 20lbs or less and another area for bigger dogs. Just like hurricane passes, access needs to be granted by a pass that opens gate for	3/11/2026 8:37 AM

residents only. Perhaps if visitors want to use it, then then need to show up to date vaccinations and pay a fee.

375	I have mixed feelings about a dog park. If not properly managed, they can become dirty and unhealthy very quickly. This proposal needs to be well researched and carefully developed to ensure dog safety and park maintenance.	3/11/2026 8:36 AM
376	Not essential for us but a nice feature	3/11/2026 8:34 AM
377	While benches sound nice, I think they dissuade owners from being engaged and proactive in monitoring dog interaction.	3/11/2026 8:33 AM
378	We walk our dog on the beach. If there is a dog park, beach use must be allowed also.	3/11/2026 8:29 AM
379	Stop wasting time, resources, and money on frivolous ideas - spend time, resources, and money on conserving residents and businesses to sustain the island.	3/11/2026 8:17 AM
380	Sanibel really could use a dog park - thank you!	3/11/2026 8:09 AM
381	Off leash dog park as opposed to leashed	3/11/2026 8:08 AM
382	needs to be cleaned and pick up frequently. Most have dog poop everywhere for a health hazard and the need to wash your dog after.	3/11/2026 8:05 AM
383	Hopefully, this concept moves forward. I would hope in the future the City would describe the "environmentally sensitive" land that might be used. I think it is critical language that deters people from wanting a dog park, especially non-dog owning residents. There is plenty of sensitive land that is not currently lush, green habitat that could be used and not affect wildlife or make any negative impact on our island. A dog park is still a park that prohibits any permanent infrastructure like business or homes from impeding the beauty of our sanctuary island.	3/11/2026 8:05 AM
384	You never know if all the dogs at a dog park have been vaccinated.	3/11/2026 7:57 AM
385	Having lived previously near a dog park, the odor, the lack of maintenance and the disrespect of some dog owners was extremely disconcerting. Sanibel's shared use path system offers plenty of opportunity for dog walking.	3/11/2026 7:47 AM
386	My dog has gone to dog parks, too much rough play (my dog is 50lb), irresponsible owners. Do not pick up poop, let dog bully other dogs. City has so many other things to spend \$ on. Don't want city resources spent on building or upkeep of a dog park.	3/11/2026 7:45 AM
387	Can you use the property to the right of the playground on Periwinkle Way? Plenty of space, easy to fence in, parking and Restrooms available.	3/11/2026 7:27 AM
388	no dog park please	3/11/2026 7:06 AM
389	Why does environmentally sensitive land need to be used? It seems like theta is unused land that could be purchased for the purpose that is not set aside for wildlife.	3/11/2026 6:53 AM
390	if built, preferably centrally located on Sanibel	3/11/2026 6:48 AM
391	Having a membership for use of the dog park would keep "just anyone" from using it. If you sold memberships to it, the dog owners would also have to have their dogs licensed on Sanibel.	3/11/2026 6:44 AM
392	We don't own a dog, but believe a dog park would be a nice amenity for the island.	3/11/2026 6:36 AM
393	I am a Sanibel homeowner and seasonal resident. I am younger and able bodied and my dog is smaller and lower energy so I'm very happy just to walk my dog on leash in my condo complex or on the beach. That said, I know many residents and visitors are not as mobile as I am and if you have a bigger or more high energy dog it can be very helpful to have a dog park for throwing fetch etc to help exercise your dog if you are not able to walk long distances. Also I believe dog parks can build community. During the rebuild post-Ian when our condo was under construction we visited Anna Maria island. Because they don't have dog friendly beaches (love that Sanibel does) I went to the dog park on the island most days and I would run into the same people each day; everyone was responsible and it was nice to get to know them. Lastly I just want to say that we came to Sanibel for the first time in 2020 - and found it specifically because it had dog friendly beaches and restaurants- we travel everywhere with our cavalier. After only 2 weeks there I met with a realtor to begin my search and purchased a condo on	3/11/2026 6:27 AM

island just a couple months later. I found Sanibel because it is dog friendly and chose to purchase a home here because of it. It's a beautiful island and the creation of a dog park seems very much in keeping with the spirit of community that I have come to know and love. Thank you-

394	Sanctuary islands do not need dog parks. Cities might but this is not a city	3/11/2026 6:26 AM
395	Bathrooms would be nice to & access to the bike paths - thank you	3/11/2026 6:07 AM
396	Frequency of use during "season" will depend on location. I won't sit in heavy traffic for this.	3/11/2026 6:03 AM
397	do not believe we should have a dog park-plenty of places to walk with dogs all over the island (I love to visit with the dog walkers on the beach and in East Rocks, etc.), Please do NOT take up ANY taxes or public funds for this and NOT use city owned land for the benefit of JUST dogs. What is more important?- people or dogs? Repairing more paths at the lighthouse should be done- NOT a dog park	3/11/2026 5:58 AM
398	Sanibel is such a dog friendly island and that's special. A dog park would be great.	3/11/2026 5:54 AM
399	I do not support a government funded fog park. A private dog park is okay using donations rather than tax dollars	3/11/2026 5:37 AM
400	I really don't understand why people feel this is such a big deal. It would be a safe haven for our dogs.	3/11/2026 3:59 AM
401	See response to question 16	3/11/2026 3:51 AM
402	Owners have 26 miles of shared use paths, miles of beach and their own property to exercise their dogs. To compromise the founding principles of Sanibel Island for an amenity that is unnecessary would be a shame.	3/11/2026 12:59 AM
403	Memorial wall or path to help with funding	3/10/2026 11:56 PM
404	As a retired veterinarian, I do not support dog parks for several reasons. Health concerns with exposure to parasites and infections through direct dog to dog contact or contaminated soil and water, injuries resulting from dog fights and exercise activities, heat related issues, behavioral issues, mismatched dog play levels, inattentive owners not monitoring their dog(s) interactions and behavior, owners not able to control their dogs, limited availability of emergency veterinary care on island if problems arise.	3/10/2026 11:49 PM
405	This is needed	3/10/2026 11:06 PM
406	No dog park unless privately funded!	3/10/2026 10:58 PM
407	Why would the city use environmentally sensitive land to build a dog park? How many employee would the city hire to clean up dog feces, empty trash bins, maintain benches, fill in holes dug by dogs, check for dog licenses, repair fencing, and replace & add mulch?	3/10/2026 10:57 PM
408	We are 31 year full-time residents. This topic has been brought up before and was not successful. While a dog park may sound nice in theory, there are far too many issues and we don't need to add those issues to our small island. The Woof-a-hatchee park is so close to Sanibel, easy enough for anyone to go to if they'd like. Ultimately we feel this would only appeal to a small subsection of residents and visitors and is just not where city money and resources should be spent. And we ARE dog owners and dog lovers, had four dogs at one point! Between disease, dog interaction issues, human interaction issues, cost, maintenance, liability, and a myriad of other issues, let's please NOT move forward with this.	3/10/2026 10:56 PM
409	The area across from the library would be a good area for dog park.	3/10/2026 10:53 PM
410	The greatest good would be for more bike paths, especially alternate routes other than Periwinkle. This would give more options to get around the island and hopefully reduce the traffic. The paths we have are a little narrow for people who do not ride regularly and whose balance may not be the best. The path we have that runs from the Community House to Dunlop is the best of all of the bike paths. It is the most quiet and the prettiest. It brightens the soul.	3/10/2026 10:43 PM
411	I answered no to the questions about do I have a dog because I no longer have a dog. However, I had a dog here for 14 years and always wished there were a dog park. I probably would have taken him about once a week. He was a medium sized dog of 35 lb. There were no nearby dogs to play with and he was an only dog in our home. He can never be off leash due	3/10/2026 10:43 PM

to coyotes and alligators here, so spending 6 to 7 months here and always having to be on a leash was not my favorite part of his Sanibel experience.

412	To be clear, my family and dog are only in Florida (Fort Myers and Sanibel) seasonally, for a few months of the year.	3/10/2026 10:41 PM
413	Thank you for considering!	3/10/2026 10:41 PM
414	If there is enough space where the closed recycling center is, I think that would be a good area for a dog park	3/10/2026 10:39 PM
415	The dog park parking lot should be the same as for the beaches... stickers required or pay-by-the-hour	3/10/2026 10:37 PM
416	I no longer own a dog but think a dog park would be a great addition to Sanibel. Letting dogs run free on Sanibel is not an option due to the wildlife. A park where dogs could interact and exercise would be great for residents and visitors too.	3/10/2026 10:33 PM
417	Park needs someone to maintain it year around	3/10/2026 10:29 PM
418	If you have play grounds for kids you should have a dog park. You should find City land absolutely not conservation land. I don't have dogs. It may keep loose dogs off the beaches	3/10/2026 10:25 PM
419	dogs & owners deserve it!	3/10/2026 10:25 PM
420	As an avid dog owner and someone who's grown up with dogs since a very young age, I can appreciate the interest in the dog park. However, I would much rather see the City of Sanibel use these funds for other necessary enhancements to the infrastructure and services.	3/10/2026 10:24 PM
421	Dog owners should be required to take their Dog Poop bags home with them, and not leave them at the entrances to Beach Access paths. It is unhealthy and disgusting, and gives Sanibel dog owners a bad reputation. ie, especially Access #1 on West Gulf Drive, often leaving several Green Dog Poop Bags there. When the Pink house at Access #1 was damaged by Hurricane Ian, dozens of Poop Bags were being thrown into a large hole next to the house that was made by the storm surge. Sad and disrespectful to the owner.	3/10/2026 10:23 PM
422	The land should remain protected for conservation	3/10/2026 10:14 PM
423	It's about time	3/10/2026 10:11 PM
424	It would be the best thing sanibel could do for all dog owners	3/10/2026 10:05 PM
425	If any dog park is considered it shouldn't be funded by taxpayers.	3/10/2026 9:59 PM
426	I DON'T THINK THAT SANIBEL NEEDS A DOG PARK AND I THINK SANIBEL SHOULD BE FOCUSING ITS TIME AND EFFORTS ON MINIMIZING THE EXTREME FLOODING THAT HAS OCCURRED AT THE WEST END OF SANIBEL SINCE SEPTEMBER OF 2022 DUE TO THE DAMAGE TO THE BEACH AND CLAM BAYOU FROM HURRICANE IAN, HELENE, MILTON AND TS DEBBY ETC. THAT SHOULD BE THE CITY'S NUMBER ONE PRIORITY, NOT A DOG PARK. THANK YOU FOR THE OPPORTUNITY TO SHARE MY THOUGHTS.	3/10/2026 9:57 PM
427	Perhaps areas for big and small dogs to be separated	3/10/2026 9:54 PM
428	Frankly I think the city should revisit the prior privately funded initiative. My understanding is the landscape perfect and it was rejected for reasons we might want to revisit. Once we agree to convert protected land it won't stop. Especially to redress a possibly unfortunate prior decision.	3/10/2026 9:53 PM
429	I never see anyone use the park at Periwinkle & Purdy. Use that space.	3/10/2026 9:52 PM
430	Plenty of space on the islands for neighbors to walk dogs and let them socialize in neighborhoods or beach walks without using conserved lands .	3/10/2026 9:44 PM
431	Glad it's under consideration!	3/10/2026 9:38 PM
432	Keep the protected land protected. There are enough dog owners that don't cleanup after there dogs. We would hate to see this behavior on protected land.	3/10/2026 9:37 PM
433	let dog owners keep their dogs on their own property.	3/10/2026 9:34 PM
434	I am not in support of a dog park, especially using environmentally, sensitive lands on a sanctuary island devoted to wildlife for domesticated animals, at taxpayer expense for	3/10/2026 9:33 PM

maintenance and insurance in the event of issues with dogs. Dogs are allowed everywhere as far as I know on Sanibel as long as they're leashed, so there is plenty of room for them and their owners to recreate.

435	Dog parks can transfer diseases from dog to dog.	3/10/2026 9:32 PM
436	I don't support a dog park. They are loud, are often places where germs are spread between dogs. And we already have biking/walking paths plus miles of beautiful beaches.	3/10/2026 9:32 PM
437	I strongly object to any use of conservation property for the use of a dog park. I also strongly object to City funds being used to create and maintain a dog park when there are still so many expenses related to hurricane recovery. Furthermore, Sanibel has many safe and beautiful places where owners can safely walk their pets.	3/10/2026 9:29 PM
438	This is long overdue for this community. It's time to quiet the naysayers and make this come to fruition!	3/10/2026 9:23 PM
439	Set aside a spot by city owned park and wait for funds to come in and slowly developed it.	3/10/2026 9:19 PM
440	I note you don't ask if we are for having a dog park This is like the round about question - been there done that We do'nt need this it is not compatible with Sanibel	3/10/2026 9:18 PM
441	I would only agree to #17 if the dog owners would agree to stop letting their dogs run off leash on the beach.	3/10/2026 9:17 PM
442	Didn't we vote this fown	3/10/2026 9:16 PM
443	Many people living in condos don't have an area to let their dogs run for exercise... And the social atmosphere is good for the dogs and for people too!	3/10/2026 9:12 PM
444	Not necessarily against having a dog park here, just personality have no interest in taking my dogs to a public park. Don't want to expose them to other dogs with unknown germs and/or temperaments. More likely to walk them in neighborhood or on beach. If a dog park is was on the island, I guess I would hope it was not near my neighborhood.	3/10/2026 9:12 PM
445	Long over due	3/10/2026 9:11 PM
446	As dog friendly as Sanibel is it's a shame that beaches are 100% leash law all the time. Perhaps allowing off leash dogs at off peak times would be the solution	3/10/2026 9:09 PM
447	If dog owners want a park let them fund it. Why should non-owners fund a dog park. You should be ashamed of yourselves proposing to use land on this beautiful sanctuary island for a dog park. Protect this beautiful place!	3/10/2026 9:06 PM
448	Shaded area for dogs, areas to run and play loose. Park should have an area for small breeds and another for larger ones	3/10/2026 9:06 PM
449	Certainly seems Sanibel is pet/dog friendly and most owners I see (a lot) recreate and exercise their pets every day. The shared use path and beach are great locations. Most of the dog owners I know (residents) are not that interested in socialization for their pets. And not at the city's expense.	3/10/2026 9:00 PM
450	Sanibel should be viewed as dog friendly , we protect every other animal, bird, reptile, fish	3/10/2026 8:58 PM
451	I walk my dog along pretty much all of the trails on the island, including Ding and all beaches. Dog parks become 'clicks' very quickly and it's easy to become an 'outsider', so it will only be used by a regular bunch of people. I also see this might escalate into banning dogs on trails and beaches, as they have a deducted park, which will them mean 'outsiders' will have nowhere to exercise their dogs. It's a no from me	3/10/2026 8:57 PM
452	This would be a great addition to island. We have a lot of dog owners here and it would be used a lot.	3/10/2026 8:57 PM
453	Please do not remove any area of conservation land for a dog park. Sanibel is a sanctuary island and its conservation land is critical for the health of our wildlife and natural resources. Florida is already being subjected to excessive and unnecessary development, there is no need to develop Sanibel further.	3/10/2026 8:57 PM
454	Although a dog Park is an admirable amenity for Sanibel residence, or non-Sanibel residence, keeping it safe this is a very difficult task. Generally, it is simply not sustainable. It is	3/10/2026 8:56 PM

disappointing as, in an idealistic world, it would be a wonderful amenity for our furry pet members and family to enjoy. Just not realistic.

455	Section for small dogs	3/10/2026 8:48 PM
456	What about liability issues? Who's going to keep it clean? Breeding ground for disease.	3/10/2026 8:47 PM
457	I don't think this is a good use of taxpayer money! Limited benefit. No more negative removal of land! Enough destruction. Vehemently opposed.	3/10/2026 8:44 PM
458	This idea has been looked at before and it's failed. There is a reason. We don't want one!!!	3/10/2026 8:41 PM
459	Membership with vaccinations and flea meds checked.....	3/10/2026 8:33 PM
460	When we have lived in towns with dog parks, we've seen that they are popular social gathering places, including many people who don't have a dog but enjoy coming to watch the dogs and chat with other people.	3/10/2026 8:31 PM
461	My dog missing laying in grass and a place to run. He's only 30 pounds, but is a dog and being in a leash every time he goes outside has been hard on both of us. Too much energy and needs a place to run. We had the dog before we needed to move down here.it would be a blessing to have a dog park with responsible owners.	3/10/2026 8:29 PM
462	Who is going to pay for the insurance or have participants sign waivers so the city isn't reliable for injuries.	3/10/2026 8:28 PM
463	Separate sections for large and small dogs within close proximity since I have 1 large and 1 small dog.	3/10/2026 8:25 PM
464	Will have dogs in near future	3/10/2026 8:23 PM
465	Even though we don't own a dog, I have always felt this was a necessity for Sanibel and can be funded in part by a subscription model. It can use an app to allow the entry into it. And also profit from drink sales can help fund it.	3/10/2026 8:21 PM
466	No conservation land should be turned into a dog park	3/10/2026 8:20 PM
467	Please spend money elsewhere Maintain the beautiful island we have already	3/10/2026 8:17 PM
468	The addition of a dog park, in place of conservation land, is a direct contradiction of the ideals of Sanibel. If city council members feel the need to constantly use the phrase "sanctuary island" as reasoning for their personal opinions they let guide their professional lives - this goes against everything they supposedly believe. Sanibel is one of the last remaining places in Lee County protected in some form from development and it would be an embarrassment and a shame for that all to go to waste. If this is allowed, it could open the door for further removal of conservation land for selfish human needs.	3/10/2026 8:16 PM
469	Rather than using environmentally sensitive lands, I would rather see some of the derelict buildings torn down and have that space and utilized for a dog park.	3/10/2026 8:16 PM
470	Do NOT locate it near any beach areas. More dogs will end up on the beach which is not good for birds and environment.	3/10/2026 8:12 PM
471	Please don't change the intention of conserved environmentally sensitive land. That change may not fit Sanibel's Plan or optics. Where did this idea emanate from? I don't know anyone with dogs who's asking for this, but maybe I don't know the right people!	3/10/2026 8:11 PM
472	Need separate spaces for large and small dogs otherwise small does can't use the space	3/10/2026 8:07 PM
473	Wonderful idea! Would love to see this happen on our wonderful little island! We are a sanctuary after all so why not have a space for our best friends!!!	3/10/2026 8:06 PM
474	Benches for older patrons	3/10/2026 8:03 PM
475	The island inn rd debris staging area would be an ideal location.	3/10/2026 8:03 PM
476	Separate areas for under/over 25 pounds would be helpful. Fenced throughout with a small fenced vestibule for coming & going is helpful to ensure no pets sneak out when people come & go	3/10/2026 8:01 PM
477	Don't want to sponsor a dog park. I'm disappointed in how even in my neighborhood people allow their dogs to go in other peoples yards. Don't think a dog park would help that situation.	3/10/2026 7:59 PM

478	Please do not spend taxpayer funds that will be required for a referendum on a dog park.	3/10/2026 7:59 PM
479	Interested in donating. Suggest a committee of dog owners be involved.	3/10/2026 7:59 PM
480	Sanibel is all about biking and waking, so the further to the dog park the less likely we are to use it	3/10/2026 7:58 PM
481	The park will see little use during the summer. Potential for law suits and dogs fighting. Personal injury could be an issue. What are the precasted repair cost for the park, after a hurricane?	3/10/2026 7:56 PM
482	Would greatly appreciate a dog park on sanibel	3/10/2026 7:55 PM
483	Great idea for the community	3/10/2026 7:55 PM
484	Thank you !	3/10/2026 7:53 PM
485	I don't have a dog but love dogs and this is a great amenity for the community. Also keeps some poop off the streets and regular parks. The city can donate the land but private funds should take care of maintenance (cleaning)	3/10/2026 7:51 PM
486	Periwinkle Park Campground does not allow dogs so we can not bring them when visiting	3/10/2026 7:51 PM
487	This would be fantastic and glad it is being looked into.	3/10/2026 7:50 PM
488	I think you need a fence to prevent dog from straying and protect dogs from coyotes and alligators and have two separate areas for small and large dogs. Also a water fountain for dogs to drink from.	3/10/2026 7:49 PM
489	Anyone with a dog too big to fit in a tote bag recognizes that their Canine Companion needs exercise and the freedom to run safely off leash. We have a 8 year old Springer Spaniel who would love that opportunity. Anyone who Loves Their Dog is a Potential Friend... at the very least simply just a Good Neighbor	3/10/2026 7:45 PM
490	Our dog contracted a nearly lethal infection from a dog park. Vet advised we never take her to dog parks. Too many sources of infection.	3/10/2026 7:42 PM
491	As far as the environmentally sensitive land district that would depend on which land I would be for it if it made sense in that area. Some of our environmentally sensitive land could be used for a dog park without undue impacts. There are other areas that would be totally unsuitable for it and are necessary to keep pristine. I think a dog part would work very well on sanibel many of my customers talk about it all the time. I just think it just needs to be done correctly and thoughtfully. I believe a public-private partnership is the way to go cuz I think some of the maintenance issues and other issues that I know the city manager is worried about can be taken care of with an actual dog park committee a volunteers supervised by maybe one staff member from time to time. I think it's about time we have one on the island given the number of dogs we have now.	3/10/2026 7:42 PM
492	It would also be great to have a trash can for poop bags and also have poop bags available.	3/10/2026 7:40 PM
493	Open areas for dogs to run and play make for happier, healthy and safer dogs. Thank you for considering it!	3/10/2026 7:39 PM
494	I would rather see Sanibel public property conserved for wildlife habitat or water quality projects.	3/10/2026 7:37 PM
495	Not all people control their dogs behavior and that is why i am against it.	3/10/2026 7:37 PM
496	dogs are nice too many here is not a good thing very small island	3/10/2026 7:36 PM
497	Posted Rules Of Dog Park, respecting others	3/10/2026 7:35 PM
498	This would be a fantastic addition to our island!	3/10/2026 7:34 PM
499	We pay a lot of taxes... I feel like this should go to it.	3/10/2026 7:34 PM
500	Would love to volunteer and contribute however I can. I have an extensive dog background including raising service dog puppies for a national organization	3/10/2026 7:33 PM
501	We chose Sanibel because it is dog friendly and can walk on the beach. Always was surprised that no dog park on this wealthy island (tax are very high) dog park are wonderful place to	3/10/2026 7:32 PM

	socialize and enjoy nature.	
502	There's space next to the playground on Periwinkle; and on Island Road on the left before the gait (coming in from Doc Fords side)	3/10/2026 7:31 PM
503	Didn't a resident attempt to pay for a dog park on their own? That seems like it might have been a great option	3/10/2026 7:31 PM
504	Thank you!	3/10/2026 7:31 PM
505	So many people have dogs here on the island. Dogs need a good off leash run to stretch their legs.so many activities for family, kids but not family dogs.	3/10/2026 7:31 PM
506	I'd suggest researching the Fetch parks in and around Atlanta - it's a great set up that brings the community together. My husband and I did assist them with their vaccination set up and cleaning protocols as we have over 20 years in animal rescue experience.	3/10/2026 7:29 PM
507	A Dog Park on Sanibel would be helpful to both our community and our visitors. Many people on Sanibel share the love of dogs and in the parks that we visit in Lee County, people congregate and enjoy time with their pets and other people. I was actually surprised that Sanibel did not have a good park as part of it's wide array of recreational opportunities that it provides for all ages, residents and visitors alike. Thank you for engaging the public and hopefully this will happen.	3/10/2026 7:29 PM
508	Dog sprinkler system cooling station	3/10/2026 7:29 PM
509	A dog park would be a great addition. In other locations dogs can often run off leash at the beach. We appreciate why they cannot on Sanibel but it is a hardship having no place dogs can run.	3/10/2026 7:26 PM
510	Please do not revise the current laws that allow for dogs to be walked on leash on the beach.	3/10/2026 7:26 PM
511	This may be the most popular subject I have heard from residents and visitors. Why doesn't Sanibel have a dog park? I'm surprised leadership has not addressed this need.	3/10/2026 7:24 PM
512	Great idea. Also consider an area on the beach designated for off leash dogs (maybe seasonally when not nesting season). Venice has one that's great as does Bonita	3/10/2026 7:24 PM
513	A split dog park; one area for small dogs another area for large dogs	3/10/2026 7:24 PM
514	I believe this is so needed and users would be very appreciative. I would be more than happy to pay for a permit for my dog's use to help offset costs. Remember, even if small amount of land is taken out of conservation, the land is not lost. It could be reconverted to conservation at any time.	3/10/2026 7:24 PM
515	There are city residents with land that could be used for a dog park willing to enter into a public/private partnership to make it happen that would not require environmental sensitive lands. The city needs to explore this option and talk to the BringFido owners.	3/10/2026 7:23 PM
516	Please do not build a dog park!	3/10/2026 7:21 PM
517	A dog park would be a great addition to Sanibel.	3/10/2026 7:21 PM
518	Next to the park on Periwinkle that nobody uses would be a great location.	3/10/2026 7:17 PM
519	of course garbage can and poop dog bag dispenser	3/10/2026 7:17 PM
520	If i have to pay tax dollars to build this monstrosity over protected land im going to fucking throw up	3/10/2026 7:17 PM
521	It's crazy to have a dog park on Sanibel. This is a natural island not for domestic use.	3/10/2026 7:14 PM
522	There is plenty of space for dogs to be walked on Sanibel without this expense or the need to designate land	3/10/2026 7:14 PM
523	Good to separate small and large dogs.	3/10/2026 7:14 PM
524	How much use does the volley ball court get? I bike by there everyday, central location, services already there, perfect. Or the large dirt parking lot across the street could be reworked. Also the large area behind city hall could work.	3/10/2026 7:14 PM
525	I would like a park that screens the dogs before allowing initial access.	3/10/2026 7:13 PM

528	Will visit and take day trip pound puppy for visit.	3/10/2026 7:12 PM
529	If dog park created, should be purchased, maintained and operated privately. I don't think City needs the responsibility or liability! Our beaches are dog friendly.	3/10/2026 7:11 PM
530	Dogs are already allowed on beaches etc., please use any City resources to benefit more residents than just dog owners. Pickle ball is one good idea, there are more.	3/10/2026 7:10 PM
531	Need to be monitored and kept clean. Its not a dog bathroom its a fun place for off leash dogs	3/10/2026 7:10 PM
532	With so many associations prohibiting unleashed dogs, this would be a great addition to our community	3/10/2026 7:09 PM
533	use land already zoned commercial. NOT conservation land	3/10/2026 7:09 PM
534	Just another "we would like to have" amenity. The island is not large enough for dog park.	3/10/2026 7:09 PM
535	There are multiple vacant properties on Periwinkle. Why would you use ESLCD property if you add a dog park?	3/10/2026 7:09 PM
536	Separate big and little dogs	3/10/2026 7:09 PM
537	When visiting dog parks, I appreciate the doggie bags made available to public. I bring my own, but some do not clean up after their dog. This could be a lot of fun.	3/10/2026 7:08 PM
538	I would have it separated small dogs medium /large dogs	3/10/2026 7:08 PM
539	There is NO WHERE to let dogs run in Sanibel	3/10/2026 7:08 PM
540	People are to irresponsible. Look at our beach from tourists leaving trash and burying their pets waste.	3/10/2026 7:08 PM
541	3 areas...small dogs, larger dogs and equipment, slides, obstacle course, small	3/10/2026 7:07 PM
542	We don't own a dog, but we are dog lovers. We'd definitely support a dog park on Sanibel and would frequent it when visiting throughout the year. It's a great idea.	3/10/2026 7:07 PM
543	Putting any recreation attraction, including dog park, on environmentally sensitive lands goes against what I believe this island stands for. Hi Phaidra,

Thank you for the time today to discuss Camp Kingfishers support and commitment to the potential establishment of a dog park on Sanibel. As we discussed the PRAC Committee will be discussing amenity needs and or improvements for our community and present our recommendations to City Council. Committee recommendations will potentially include that of a dog park on Sanibel. Understanding Camp Kingfisher input and support will be part of that discussion to assist in our overall amenity proposals.

From our conversation today the following were discussed:

- Camp Kingfisher envisions the establishment of a dog park would be a joint City and Community effort hand in hand in terms of shared City and Private funding.
- Maintenance of the park would be from both City and User/Private funds.
- Camp Kingfisher's current actions are focused on gaining public support to establish a dog park. Camp Kingfisher would be willing to take on additional efforts to determine feasibility and actions and even spearhead the proposal of a dog park.

Phaidra if you would like to attend the June 18 meeting to further to discuss To PRAC, please let me know and we can add you to the agenda. Also you may join the meeting virtually by connecting to the meeting on City of Sanibel Facebook page. These notes from our discussion will be forwarded to committee and included on our agenda. If there are any changes to our notes before they are public please advise.

Thanks again your input is much appreciated.

Sincerely,

Chris

Subject: Dog Park Discussion

Hi Phaidra,

As I said earlier the Park and Rec Committee had the opportunity to review the Dog Park Survey at our last meeting. I have been asked by Committee and Staff to get with you to discuss to achieve a better understanding of what you and your teams thoughts and inputs are to supporting a community dog park.

We (Committee) are expected to forward our next steps recommendation(s) to Council and we will be discussing this topic at our next meeting June 18. The Committee would like to consider the following to be better informed in our next steps recommendation(s):

- Input from Planning Director regarding land use coding and zoning, presented to us at our June 18 meeting.
- Deeper data analysis of survey results to be provided by Committee members for discussion at our June 18 meeting.
- Phaidra and her team's dog park initiatives and or thoughts regarding funding (public/private), land (public or private), maintenance issues and requirements, regulation(s) requirements, and other related issues. To be discussed at our June 18 meeting.

It would be beneficial for you and I to review and confirm you and your team(s) perspectives to aid in our discussions. I look forward to discussing this with you at your convenience. Please let me know dates and times you are available to review.

I have included the dog park survey and summary as well as the community interest survey for your review.

Thanks Phaidra,

Chris
