I currently serve on the Board of Trustees of the Bailey-Matthews National Shell Museum & Aquarium. I also participate on the economic revitalization committee of the Charitable Foundation of Islands.

WHY ARE YOU INTERESTED IN THIS APPOINTMENT?

Required Information

The Sanibel Plan protects what is special and unique about this community. The Steering Committee will be making important recommendations that will shape the island's future, and I'm happy to contribute time and energy to that effort. I'm sure there will be many qualified candidates for this appointment. My hope is that committee makeup will include a diversity of voices (age, background, and experience). Regardless of whether I am appointed, I plan to be actively involved in this process, and I hope others in our community will be as well.
