City Council

Overview

The Sanibel City Council consists of five members elected to serve four-year staggered terms. The Council selects the Mayor and Vice Mayor through a vote by the Council. All council elections are nonpartisan.

Each Council member serves in important liaison roles throughout the region to ensure that the City of Sanibel is fully represented as key issues are addressed.

Bike / Hike on the Shared Use Path!

Since its inception, Sanibel's Shared Use Path system has been a community-involved initiative that began from a need to provide around the island without using an automobile. The existing Shared Use Path network along Lighthouse Beach Park on the eastern end to the Blind Pass Brough system of more than 26 miles of separated paths that stretch across the island from Lighthouse Beach Park on the eastern end to the Blind Pass Brough on the western end. Come and see all our island has to offer - whether you bike or hike!

Biking or hiking on Sanibel is a great way to see all of the natural beauty and amenities that our island offers. [Bike or Hike Sanibel \(PDF\)](#) brochure which includes a map and helpful tips on exploring our unique destinations and beautiful beaches.

Safety is a MUST when biking or hiking on the Shared Use Path! Before you head out on your Shared Use Path Adventure, take a few minutes over the important safety tips and watch the short videos below!

E-bikes have increased in popularity and use over the last few years. For the safety and the enjoyment of all users on the Shared Use Path, E-bikes are allowed for Class One E-Bikes only. Class One E-Bikes require the users to pedal for electric assistance, have a maximum assisted speed and do not have a throttle.

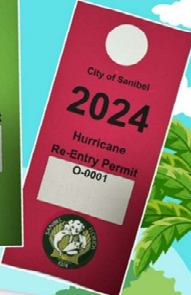

Motorized vehicles, micromobility devices, motorized scooters, mopeds, or other vehicles not exclusively operated by human power are not permitted on the Shared Use Path (except a power-driven mobility device operated by a person disabled for mobility purposes).
