# Park & Recreation Advisory Committee Ranking of 2024 Shared Use Path Master Plan Extensions

PARC Ranking Sheet - Suggested SUP EXTENSIONS (April 24, 2025 Mtg)

On/From/To	Suggested Extension	Committee Member Ranking	Notes
New Path Connection, Casa Ybel Rd to Main St	Provide a new Path connection along the south side of Periwinkle Way, behind the businesses, between Casa Ybel Rd and Main St.	1	
New Path Connection, Dunlop Rd to Dixie Beach Blvd	Provide a new Path connection connecting Dunlop Rd to Dixie Beach Blvd north of Periwinkle Way.	2	
Periwinkle Way, Dunlop Rd to Bailey Rd	Provide a Path along the north side of Periwinkle Way to improve access to businesses and neighborhoods, and to relieve congestion along the existing Path.	3	
Rabbit Rd, W. Gulf Dr to Sanibel Captiva Rd	Provide Path connection directly along Rabbit Rd between W. Gulf Dr and Sanibel Captiva Rd.	4	
Periwinkle Way, Lighthouse Beach Park entrance to Lighthouse Park Fishing Pier Parking Lot	Extend the Path from the Lighthouse Beach Park entrance to the Fishing Pier parking lot.	5	
Dixie Beach Blvd, Royal Poinciana Dr to San Carlos Bay Dr	Extend the Path along Dixie Beach Blvd from its current terminus to the Parking lot north of San Carlos Bay Dr.	6	
Bailey Rd, S. of Bay Dr to Bay Shore Dr	Extend the existing Path along Bailey Rd from its current terminus to the parking lot on Bay Shore Dr.	7	
Algiers Lane, East of Camino Del Mar to Gulfside City Park Parking Lot	Extend the Path along the east side of Algiers Ln from its current terminus/where it turns through the park to the Gulfside City Park parking lot.	8	
W. Gulf Dr, Rabbit Rd to Dingman Dr	Extend Path west along W. Gulf Dr from where it curves at Surf Sound Ct.	9	
<del>New Path Connection, Dixie Beach Blvd to Bailey Rd</del>	<del>Provide a new Path connection between Dixie Beach Blvd and Bailey Rd within the royal Poinciana Dr and Bay Dr corridors.</del>	<del>10</del>	
Tarpon Bay Rd, Sanibel Captiva Rd to Tarpon Bay Explorers	Extend the Path along Tarpon Bay Rd north of Sanibel Captiva Rd toward the Tarpon Bay Explorers.	11	
<i>*Periwinkle Way, Tarpon Bay Rd to Palm Ridge Rd</i>	<i>Provide a Path along the north side of Periwinkle Way between Tarpon Bay Rd and Palm Ridge Rd.</i>	<i>N/A</i>	<i>*Completed (Funded by impact funds)</i>
<i>*Palm Ridge Rd, Periwinkle Way to Tarpon Bay Rd</i>	<i>Provide a Path along the west side of Palm Ridge Rd between Periwinkle Way and Tarpon Bay Rd.</i>	<i>N/A</i>	<i>*Completed (Funded by impact funds)</i>
Intersection	Recommendations from PARC	Committee Member Ranking	Notes
Wildlife Drive to Sanibel Captiva Rd	Add SUP from Ding Darling Exit to SUP at Sanibel Captiva Rd	1	
Wulfert Rd	Add SUP from Wulfert Rd at Wildlife Dr into designated end point within The Sanctuary	2	

## SHARED USE PATH MASTER PLAN UPDATE

### 9. New Path Connection, Casa Ybel Road to Main Street

**Description:** Provide a new Shared Use Path connection behind the businesses along the south side of Periwinkle Way between Casa Ybel Road and Main Street.

**Opportunities:** A new Shared Use Path connection south of Periwinkle Way, behind the businesses, could provide an alternative east-west route for scenic and leisure enjoyment and alleviate some Path congestion along a segment of Periwinkle Way that includes a high volume of commercial driveways intersecting with the Path.

**Challenges:** Further evaluation would be needed to determine if there is available right-of-way, otherwise right-of-way may need to be purchased or easements may need to be obtained. Depending on the alignment there would most likely be environmental impacts as the area is currently covered in heavy vegetation and is adjacent to the Sanibel River.

## SHARED USE PATH MASTER PLAN UPDATE

### 2. Rabbit Road, West Gulf Drive to Sanibel Captiva Road

**Description:** Consider providing a Shared Use Path connection directly along Rabbit Road between West Gulf Drive and Sanibel Captiva Road.

**Opportunities:** Would accommodate pedestrian and bicycle traffic directly along Rabbit Road. As an alternative to providing a Shared Use Path, on-street bicycle facilities could be explored as an option to better accommodate bicycle travel along Rabbit Road.

**Challenges:** Limited right-of-way and while further evaluation would be needed, accommodating a Shared Use Path may have significant drainage and environmental impacts, especially if located along the east side of Rabbit Road.

## SHARED USE PATH MASTER PLAN UPDATE

### 13. Periwinkle Way, Lighthouse Beach Park entrance to Lighthouse Park Fishing Pier Parking Lot

**Description:** Consider extending the Shared Use Path from its current terminus at the Lighthouse Beach Park entrance north toward the Lighthouse Park Fishing Pier parking lot.

**Opportunities:** Provide enhanced connectivity and safe access to the northern amenities of Lighthouse Park including the Sanibel Fishing Pier and additional bike parking facilities.

**Challenges:** Further evaluation would be needed, but potential significant drainage, utility, and environmental impacts. Periwinkle Way becomes an unpaved roadway approximately 500' north of the Lighthouse Beach Park entrance.

## SHARED USE PATH MASTER PLAN UPDATE

### 1. West Gulf Drive, Rabbit Road to Dingman Drive

**Description:** Consider extending the Shared Use Path along West Gulf Drive from its current terminus at Surf Sound Court to the west towards Dingman Drive creates an approximately 1.5 mile extension.

**Opportunities:** Would provide direct Shared Use Path access to residents west of Rabbit Road along West Gulf Drive.

**Challenges:** There appears to be sufficient right-of-way along the north side of West Gulf Drive, but further evaluation is needed to determine extent of drainage, utility, and environmental impacts. Further public engagement would be necessary to gauge support for such an improvement, past suggestions of a Path extension along West Gulf Drive have been met with some public opposition and concerns of increased bicycle and pedestrian traffic from residents of nearby neighborhoods.

## JN Ding Darling National Wildlife Refuge Road Safety Audit

Prepared by:  
Federal Highway Administration  
Eastern Federal Lands Highway Division

Prepared for:  
U.S. Fish and Wildlife Service  
National Wildlife Refuge System  
January 2023

### Wildlife Drive Section between "Alligator Bend" and Sanibel-Captiva Road

At the section of Wildlife Drive between the Refuge's exit and Sanibel Captiva Road, the roadway turns from one way to two way. Currently there are many incidents of cyclists going against traffic on this section of roadway, resulting in near misses between vehicles and bikes. It is recommended that the shared-use path be extended from Sanibel Captiva Road to the Refuge exit and it be placed on the south side of the road to avoid the utility poles. Adding this path would require wetlands in field delineation. A preliminary desktop assessment estimates approximately 350 feet of the proposed shared-use path passes

through wetlands (see memo in Appendix B). Similar to the path for the Tarpon Bay Road site, it is recommended that the portion of multi-use path within wetlands be constructed as a boardwalk. It is also recommended to refresh centerline pavement markings. To address speeding along this segment, it is recommended that speed humps be installed on both sides ahead of the horizontal curve. Lastly, tree trimming to minimize the tree canopy over the road which creates shadows on the vehicles and cyclists.
