As a resident of Sanibel, I urge you to support intervention on behalf of the CCA in their formal administrative challenge against Lee County and the Florida Department of Commerce.

Regarding John Agnew's memo of May 30 to the City Council, I would suggest that if there are not sufficient funds in the legal services budget, that this is an initiative that the people of Sanibel and Captiva are likely to heartily support. Fundraising to meet these legal expenses is an option, in my opinion.

Thank you.

Barbara Joy Cooley
