

AGENDA MEMORANDUM

Police Department

City Council Regular Meeting Date:12/06/2022

To: City Council
From: Chief Dalton
Date: 11/30/2022

SUBJECT: Police Administrative Vehicles

BACKGROUND: We are scheduled to replace two police administrative vehicles this fiscal year. Our city Fleet Manager, Bryan Jennings, has suggested replacing three police administrative vehicles. His reasoning is that the third vehicle in question is at 92,000 miles and will be over 100,000 miles soon. He also stated that once vehicles are over 100,000 mile they frequently need extensive repairs. He also cites the fact that the Ford Motor Company is very slow in producing new cars. He also feels that there will be difficulty in getting new cars next year and that the price will be increasing.

FUNDING SOURCE: The fiscal year 2023 adopted budget includes \$105,000 for the purchase of administrative vehicles (fund 300, department 2100).

RECOMMENDED ACTION: Approve the acquisition of the three administrative vehicles described above.
