

City of Sanibel

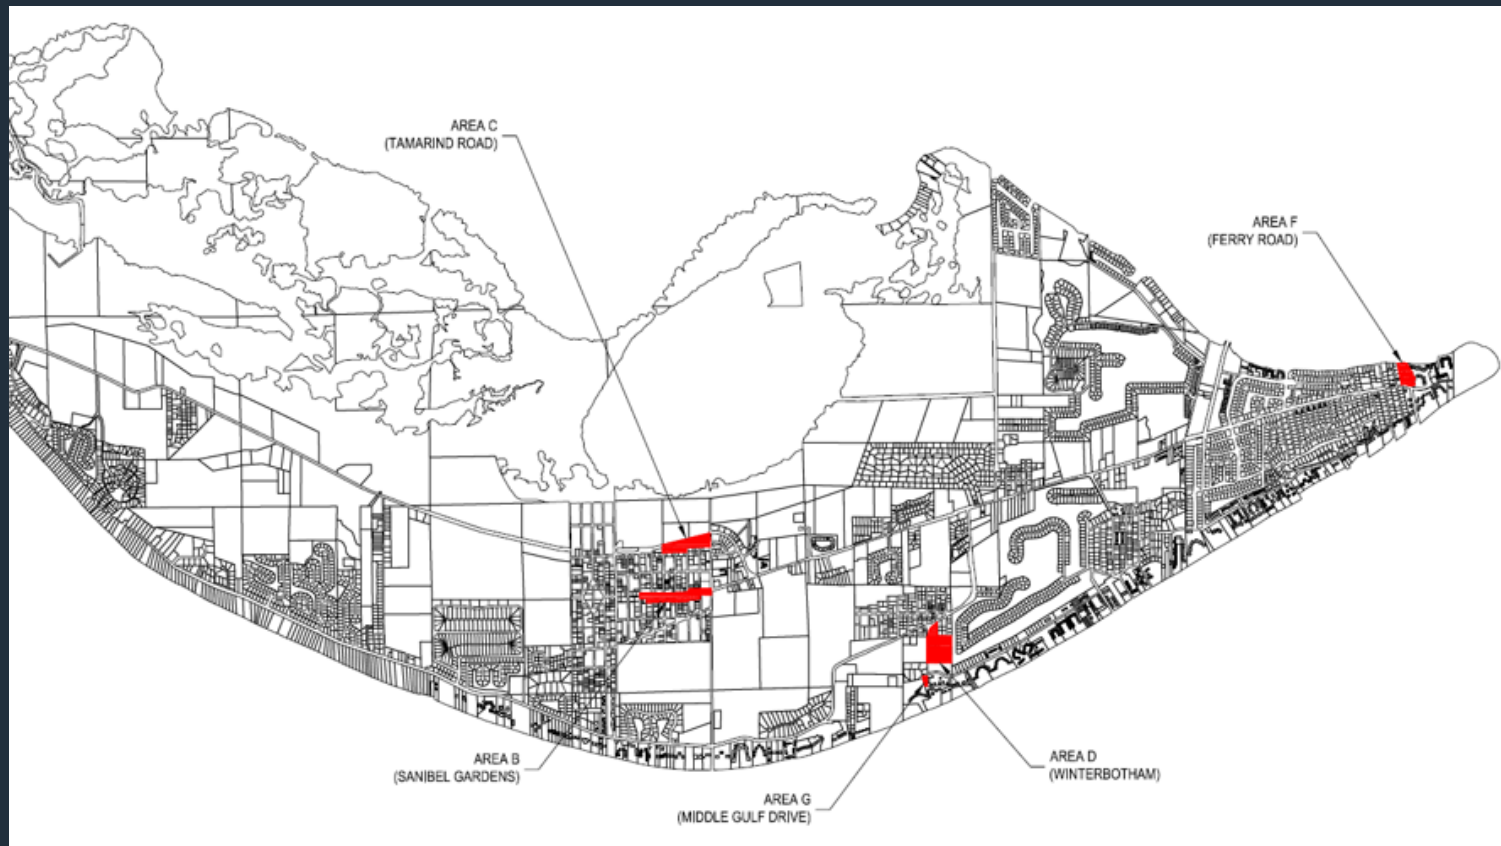

PHASE 4B SEWER SYSTEM EXPANSION UPDATE

Tetra Tech
12.06.2022

Damage Assessment & Recovery Efforts

- Damage to Donax Street storage area and loss of stored materials

Where We Are Today

- Onsite construction work has been suspended until project sites have been cleared of debris.
- Contractor will continue procuring pipe, pumps, lift stations, and other needed materials.
- City will continue procuring lift station control panels.
