Sourcewell Formerly NJPA, Multihog Ltd., and Jet-Vac Equipment Company, LLC have come together to offer the 30 minute equipment purchasing solution for your government agency.

Sourcewell Formerly NJPA has solicited bids on behalf of its members in the category of Airport Runway and Emergency Equipment with Related Accessories. Bidders were graded on a 1000 point scale in categories such as price, warranty terms, product quality, ecofriendly practices, value added attributes, and product selection. Based on its point total, Multihog Ltd. has been awarded contract #030619-MUL which includes access to the following types of goods and services:

- |                        |                         |
|------------------------|-------------------------|
| *Airport snow removal  | *De-icer                |
| *Sweeper               | *Saner/Spreader         |
| *Mower (various types) | *Glycol recovery system |
| *Cold planer           | *Runway surface cleaner |
| *Snow plow             | *Weed control systems   |
| *Snow blower           | *Garbage vacuum         |

The most commonly asked question is, “Am I able to use the results of this bid to purchase my equipment?” The answer is YES, and it is based on two important, but simple principles:

1. The joint powers provision, present in every state law, dictates that what two units of government can individually do for themselves, one can do for the other. In essence, Source**well** Formerly NJPA has conducted a competitive bid, and your government agency can use the results.
