## **F.I.S.H. 10K Traffic Control Plan**

### **October 23, 2021**

The 2021 10K Race 4 FISH will start at the Community House with a sign-up and check-in beginning at 6:30am. The race will start at 7:30am proceeding east on Periwinkle Way. One lane on Periwinkle will be closed to traffic from the front of the Community House to Casa Ybel Road for the brief time the runners are on Periwinkle. There will be cones placed from the starting line in such a way that runners will be directed into one single lane on Periwinkle as quickly as possible. Cones will be fitted with signs informing the runners to keep right of the cones to ensure that the runners do not cross into the open lane of traffic. At packet pickup, all runners will be given a 5x7 card directing them to keep right of the cones at all times. An announcement will be made prior to the race informing the runners of the narrowing of the track and the signage will be in place.

Casa Ybel will have one lane closed from Periwinkle to Tarpon Bay where the runners will turn right and proceed on the street to Island Inn Road. The runners will turn left onto Island Inn and continue to the turnaround marker where they will return to Tarpon Bay Road. At Tarpon Bay, the runners will bear left onto the bike path on Periwinkle Way and continue to proceed on the bike path to the finish line at the Community House.

Once the leading group of runners pass the volunteers at the intersection of Periwinkle and Casa Ybel, the volunteers will direct the slower runners to move directly onto the bike path thus allowing Casa Ybel to reopen from Periwinkle to Middle Gulf Dr. and from Middle Gulf to Algiers Road and from Algiers to Tarpon Bay. Total closure of Casa Ybel Road should be in minutes. With the volunteers posted at the streets, there should be a minimal wait for any resident to let the runners go by.

Cones will be placed by two teams provided by FISH volunteers. One team will start from West Gulf Dr and Tarpon Bay Road and go toward Periwinkle. The other team will start at the starting line and proceed down Periwinkle toward Casa Ybel. Cones will be picked up as soon as the bulk of the runners have passed but not until the police escort is in place.

There are several driveways and streets along the route which will be monitored to prevent traffic from interfering with the runners and ensure the safety of all. Volunteers recruited by FISH will be posted at all driveways and streets unless manned by the Sanibel Police. The police will be at intersections and other sensitive points for the entire route as designated by Chief Dalton.

At the Community House, there will be eight Porta-Potties placed. Other restrooms are available at the Community House as well as the city park.

Parking is available at the Sanibel Community House, Big Arts parking lot, St. Michael's and the Congregational Church.
