Subject: Re: Update to City Council on Pending Special Event Permits (Luminary)

Good Evening City Manager Zimomra,

Thank you for letting me know of the upcoming council agenda item as it pertains to our pending Luminary event.

Based on the current surge the chamber will be requesting masks be worn at all indoor venues and outdoor venues where social distancing is not possible, and will be distributing complimentary masks to all guests along with the glow sticks at Seahorse Shops, Jerry's plaza, Periwinkle Place, Tahitian Gardens, and Bailey's.

The mobile vaccination clinic was such a success last month that it will be at the chamber again on September 23rd.

Please let me know if you need additional information or have any questions.

Thank you!

John Lai

President & CEO

Sanibel and Captiva Chamber of Commerce

Jon Lai,

In following up with your conversation with the Mayor, we will be updating City Council on the

status of pending Special Events at their next meeting, **9 am, Monday, September 13th** . One of the pending Special Events is the Chamber's proposed Luminary. The City Council agenda will be posted tomorrow. Based upon the current COVID surge, please advise as to what COVID protocols you are planning to incorporate into your event.

Thank you for your continued work to protect our community's residents & visitors during the Pandemic. You & your organization are appreciated.

Judie Zimomra
City Manager of Sanibel
